[1] The series won the 2017 International Emmy Awards for Best Soap Opera. Trama Kemal Soydere is the son of a middle-class family. In her senior year in mining technology, a girl named Nihan enters her monotonous life. Love is impossible because of the class difference between them, but they manage to be together. That until the day Kemal has to move to a mine in Zonguldak, unaware that Nihan will be forced to marry Emir Kozcuo-lu, a man who has been in love with her since they were children. Kemal is isolated heses in his work, and one day, after his actions, to help in an accident in the mine, Kemal is promoted and assumes a position of power in the company. Five years later, Kemal makes the decision to return to Istanbul to face his past. Please edit it to globalize it. Do not remove this notice in the meantime. In Colombia, Kara Sevda became the longest foreign production in the air. It was broadcast on Caracol TV in the afternoon hours, uninterrupted, from Tuesday, October 18, 2016 to Friday, March 9, 2018. [4] According to the National Register of the Civil State, more than a thousand girls have been registered in Colombia since 2016 under the name Kara Sevda. [6] On the day the last chapter was published in the country, Kara Sevda became a trend on Twitter, with many people saying goodbye to the series, although other people also satirized the novel for its enormous duration.
