Proclear toric xr contacts

Product specification Soft, low modulusVizik-free fitting guaranteeExtended range optionsMay address discomfort from dry eyes CooperVision® Proclear® toric has proven excellent vision of health and comfort. They have been designed to stay hydrated, helping them feel wet and comfortable throughout the day. With more than 45,000 parameters available, Proclear toric contact lenses also allow you to accurately tailor more of your astigmatic patients. And our warranty It's okay means it will fit your patients without risk. Exclusive CooperVision™ PC technology creates a unique lens material in which phosphorous molecules (PCs) attract and bind water to the surface, creating a shield that keeps the lenses clean and functioning properly. PC molecules also help the lenses stay hydrated, helping them feel moist and comfortable throughout the day. Contact lenses | Glasses | Blog sign up for our emails for 10% OFF FIRST ORDER Whenever you see this symbol on our site, it means that the product is likely eligible for payment using a flexible spending account (FSA) or health savings account (HSA).
