Papa's Burgeria is now available for gaming on the go, with gameplay and controls redesigned for Android phones. Grill, fold and serve burgers in a whole new way! You're in charge of Papa Louie's famous Burgerie, where you learn how to take orders, grill patties, add toppings, and serve burgers to all your crazy customers. You need to do multiple things at once between restaurant areas with new controls that will feel right in your palm: Point to the order station to keep track of customers waiting in the lobby. Switch to Grill Station to drag the patties onto the grill and flip the burgers to cook evenly. Go to the build station carefully craft your sandwiches with toppings and sauces exactly as they ordered, and deliver the finished burger to earn points and tips! Each station is a handy experience where you have to drag, swipe and tap your way through the process of building burgers. With full multi-touch support, this process is more fun than ever! Tap many burgers at once to flip them all over on the grill, or hold one finger on the build station basket slider for even better construction accuracy. Keep your customers happy to earn more points and level up. As your level rises, you'll unlock new toppings in the store, and new customers will start visiting Burgeria! Papa's Burgeria To Go also offers unlockable toppings that are not available in previous versions! ** NEW FOR PAPA'S BURGERIA TO GO** Papa's Burgeria To Go is redesigned and redesigned for smaller screens, so fingers will not be in the way of action! THUMB CONTROL - Switch stations using the buttons at the corners of the corners screen, perfect for your thumbs. Use the buttons at the top corners to switch order tickets without having to drag them back and forth. You can also view all ticket orders in zoom-in mode for easy reading. GRILL STATION – We've made watching your burgers easier than ever, with timers stuck in every patty burger that you can read at a glance, showing cooking time and how each side is cooked. You can also buy alarms in the store to add to each timer, so you'll get a notification when it's time to turn around or remove the burger. With multi-touch support, you can quickly flip and remove burgers with multiple fingers. Try a triple tap to turn three patties in a row! BUILD STATION – With the traditional drag-and-drop system, your finger would block your view, so we've completely changed the Build Station to work on smaller screens. At the top of the screen, swipe the carousel of the topping baskets and carefully move it to line up with the burger below. Simply tap at the bottom of the screen to drop the frosting from the trash can above! You can also click the button and replace the topping baskets with burger baskets that hold all the patties you cooked on the grill. And with full multi-touch support, you can have one finger sliding basket and another tap at the bottom of the screen, so stacking burgers is a breeze! **GAMING FEATURES** - Hands-on burger shop game in the papa louie universe - All new controls and gameplay designed for smaller screens - Multi-task between barbecues, Stacking and Serving - Shop buy upgrades using in-game tips - Over 60 customers unlock with unique orders - Challenging Closeers and Food Critic - Over 50 in-game achievements earn ** NOTE FOR TABLE USERS ** Papa's Burgeria To Go is specifically designed for smaller screens.
