Bill is a teacher on Morrison's campus and has been an educator all his life. Bill was nominated by Vicky Boyer and her family. Vicky is a former teacher in the Dallas school district and each of her children attended our schools. Today's ceremony was held through Zoom and included Morrison's staff, former students, bell's family, board members and friends. This was a surprise to Bill and shared (in the classic Bell style) how the success of Morrison's students is the result of all the teachers who taught our students along the way. Here are a few quotes from his candidacy - Bill Fisher is a real master teacher, teacher and ultimate cheerleader for those young people who find their way. It is the heart, compassion, listening and genuine care of everyone that makes Bill and the Morrisonsteam so special. He is an interested listener, able to help students identify their personal and educational strengths, and emulates their warmth and interest in each student. Please help me congratulate Bill Fisher as outstanding teacher for November!
