Each resident receives a recycling collection from the blue car once a week. If you live in EAST Preston Rd It's garbage day on Mondays and Thursdays. If you live on WEST Preston Rd the garbage collection day will be Tuesday and Friday. Recycling Day is Wednesday for all residents. Please note that the basket must be at the appropriate collection site by 7:00 a.m. on the day of collection. The collection service is fully automated, so all trash in the basket must be closed. We don't collect unnecessary garbage outside the car. You need to place the car as close to the street as possible, and the serial number should face the street. There must be at least two feet on each side of the car for the automatic lever to pick up and empty the car. For residents who constantly produce more rubbish than a basket accommodates, a second car can be rented. Please contact the city for more information on the second car option. On the fourth Saturday of each month, waste management collects brushes and bulky objects. You will be entitled to place an additional four cubic meters of material to collect on this day, Examples of bulky items include a sofa or washing machine. Each brush should be bundled and tied with piles up to four feet long and no more than 40 pounds.
