Exceptional interpersonal skills, as well as operational and financial skills, are essential. A successful candidate must be able to achieve the objectives of the VA's operational measure and have detailed knowledge of the standards of the Veterans Health Administration and other accreditation bodies. The Commission should be able to promote innovation and lean governance, be able to lead others and inspire organisational excellence. Hours: Monday - Friday 8:00 a.m. to 4:30 p.m. Basic requirements: To be a U.S. citizen must be a B/C must have a full and unlimited license to practice medicine but the U.S. State Department of Veterans Affairs offers Veterans the largest, most technologically advanced health care system the United States of America. We work in more than 1,400 locations of care, including 153 medical centers, 909 outpatient and community outpatient and community outpatient outpatient clinics, 135 nursing homes, 232 Veterans Centers, 47 recorsive counseling centers, and 108 comprehensive home care programs in all 50 states, the District of Columbia, and the U.S. territory. More than 7.9 million veterans, their families, and survivors are enrolled in the VA health system, with more than 6.3 million seeking treatment each year. Currently, this annual treatment includes 773,600 inpatient visits and 60 million outpatient visits. About 250 000 full-time staff and 90 000 healthcare trainees work in interdisciplinary care groups to provide these patient services on a daily basis. Va patient populations cross a wide range of individuals, from older World War II veterans, baby boomers to Vietnam vets that today younger heroes who served during the Gulf War era and today's Operations of Enduring Freedom and Iraqi Freedom. The VA also serves an increasing number of female veterans, who currently make up seven percent of the total veteran population. Fulfill President Lincoln's promise to take care of him, who must cover the battle, and his widow, and his orphan serving and honoring the men and women who are American veterans. Vision to provide veterans with the world-class benefits and services they have earned – and to do so in accordance with the highest standards of compassion, commitment, excellence, professionalism, honesty, accountability and stewardship. Paid leisure: 26 days of paid annual (leave/personal) leave 13 Days of paid sick leave each year without accrual restrictions on 10 paid federal holidays per year 5 Days paid absence to participate in approved CME courses Insurance: Health insurance: VA employees have an outstanding number of health insurance plans from which to choose (premiums are partially paid) Healthcare Lifetime Insurance options dental & amp; Vision: Our insurance options also include an exclusive vision and dental plans (premiums are partially paid by VA) VA employees have the ability to use flexible spending bills that allow you to use tax-free dollars to pay for medical, and visual care costs that are not reimbursed under your health insurance plan for term life insurance, family and additional insurance options are available with the costs shared by the federal government's long-term care insurance is available as an alternative to the Federal Pension Plan: VA employees are insured under the federal employee pension scheme (FERS). FERS is a three-pillar pension plan comprising 1) social security benefits, (2) FERS-RAE basic benefits and 3) Thrbar Savings Plan (TSP), which is a type 401K plan How is the pension funded? VA employees automatically pay 4.4% of their salary for each pay period, while the VA pays 8.3%. an employee's salary for each pay period, where the total annual percentage of contributions is equal to 12,7 % of an employee's salary Similar to the 401(k) savings plans widely available in the private sector, the TSP allows employees to defer part of their income each year, taking into account the requirements of the Internal Revenue Service. In calendar year 2020, employees under the age of 50 can contribute up to \$19,500, while people over the age of 50 are entitled to catch-up contributions that allow them to set aside up to \$25,500. The federal government also provides for an automatic basic contribution (1% of wages) and up to 4% of the salary, Given the size of the employee's contributions to retired military personnel, these benefits are in addition to the full monthly retirement wage or pension In additiion, FERS, VA provides health insurance to pensioners Invalidity pension Employees are insured for a federal pension only after 5 years of service * this option, tell them you have seen your posting PracticeMatch.MatherCOM Apply Now Now
