Is you is or is you ain't my baby dinah washington

I have a man who's always late whenever we have a date, but I love him Yes, I love him, I'm going to his gate, if I can compare it to him, because I want him, and I'm going to have him say you're or aren't my kid the way you've been behaving lately, makes me doubt that you're still my baby. Baby it seems that my flame in your heart, gone man is a creature that has always been strange, only when you are sure that one you find is gone and made a change Now you are or you are not my child Maybe your child has found someone new, or is my child still my child true Now you are or you are not my child Maybe your child has found someone new Oh, is my baby still my baby true I think my baby found someone new and I'd rather dry up and go and find me someone too I said I'll find me someone too 78 more albums featuring this song I don't want to see ads?
