And if youre looking to sell collectibles, you do so here too. A historical collectible store Some collectibles have significant historical value for the collector. Items from World War II, for example, remain popular among those interested in buying a piece of history. You also browse World War II memorabilia ranging from vintage uniforms to medals to capture a moment even further back in time. Ad-World Memorabilia The world of advertising is rich with a history of collectible memorabilia. Of course there are Coca-Cola collectibles, but they arent the only soda advertising collectibles around. Scan through eBays advertising memorabilia section ranging from gas and oil memorabilia to nostalgia from the tech industry to get an idea of the huge array of whats available among eBays collectible stores. Cards, cards and more cards Trading cards are some of the oldest collectible items in the modern world, namely baseball cards. But baseball cards are just the tip of the iceberg when it comes to trading cards. All kinds of sports cards have considerable value, as do more modern animation trading cards like Pokemon and Yugi-Oh. Also collectible cards from sci-fi blockbusters Star Wars and Star Trek are favorites for fans. Everything else in the world of Memorabilia In addition to these more common collectibles, eBay has seemingly infinite categories when it comes to unique and sometimes valuable collectibles. From calligraphy tools to rare and unique pocket knives, the variety of special tools and items covers every profession or hobby. Transport signs are fun items, and can keep value for the right eye. And forget disneyana (everything to do with the world of Mickey is hot) and the endless parade of van Swap Pins to complete your favorite character sets. Scan the contemporary collectibles section (from 1968) to add the latest Disney items to your collection. If you prefer more modern toys, stock up on Funko Pop and Pokemon collectibles.
