Based on characters from the Jesse Stone novel created by Robert B. Parker, the film is about a retired police chief from a small New England town investigating the death of a suspicious young friend while the police force deals with the newly arrogant police chief who is the son-in-law of a city councillor. [1] Filmed on site in Nova Scotia.[2] the story is located in the fictional town of Heaven, Massachusetts. Jesse Stone: Innocents Lost is the seventh in the series nine television movies based on the characters of Jesse Parker's Rock novel. The film was first released on television network CBS on May 22, 2011. [1] Plot After being replaced as police chief in Paradise, Massachusetts by the city council's president-in-law William Butler (Jeff Geddis), Jesse Stone is still without a full-time job (although he vows to one day be requoted). However, he continued to find a way to continue the investigation into two separate murders: a person involved a friend he had lost a relationship, and others had him working as a consultant investigator for the Massachusetts State Police Homicide Division on a case involving a robbery and murder suspect. Both Jesse and his friend, State Police Captain Healy (Stephen McHattie), have doubts over the offences of a robbery/murder suspect. Meanwhile, Jesse addressed tensions between Butler, who expects him to hand over a carry-on gun permit, but who was informed, by Rose Gammon (Kathy Baker), that as a pensioner (not fired) a police officer he had federal mandate rights to Take it for life. The problem is with his ex-wife, and the drinking issue is still there.
