The program teaches drivers how to prepare the vehicle for environmental factors, drive defensively and react to potentially dangerous traffic situations. Course Information Course Information What should I take a driver improvement course? Completing a Virginia driver improvement course can help you reduce points and fines associated with traffic tickets, reduce your insurance rates, meet court requirements, or earn 5 safe driving points to your driving history. Yes! Our Virginia driver improvement courses are approved by the Virginia Department of Motor Vehicles (DMV) for your consent to meet all points and penalty reduction requirements, insurance discounts, and safe driving points. I'm not sure if I'm eligible to take a Virginia driver improvement course. How do you find me? If the DMV orders you to complete a defensive driving course, you will receive a notice in the mail requiring you to attend. Similarly, if the court orders you to complete a driver improvement course, you will receive a referral on the date of your court. If you need court permission to reduce points or fines, you can contact your court before your court date to request permission to do so. Generally, you must meet the following requirements: You must have a valid non-commercial Virginia driver's license. You have been cited for a minor removal violation. You have no pending violations in your file, and your license has not been suspended or revoked. He's 20 years old or older. If it is not yet clear if you qualify for traffic school, contact your court and ask for more information about your particular circumstances. Is there an age requirement to complete an online driver improvement course? Virginia residents must be at least 20 years of age to be eligible for online driver improvement. Any driver under the age of 20 must complete their driver upgrade requirements in a class environment. How often can I take a driver improvement course in Virginia? You can take the course once every 24 months (2 years) for point reduction or to receive 5 safe driving points. If you are taking it as part of a court order, or for ticket dismissal/penalty reduction, there is no completion limit. Do I need to complete this driver improvement traffic school course at once? Not with our online course, you are free to log in and out as much as you want, which means you can work on as many sessions as you need to complete the course! How long will this course take? Aaa Driver Improvement Course Online The driver improvement program meets the 8-hour duration requirement required by the state. You can work through those 8 hours all in one day if you wish, or you can extend it over a longer period of time. How much time do you care completely? What kind of things will I study? Each of its 9 chapters of the course focuses on issues related to Virginia driving and traffic. These topics include: Road safety, Alcohol- and drug-impaired driving, Detoxification of emergency, have to take a final exam? Yes, you do. The final exam is 50 multiple choice questions, and you will need to achieve an approval score of 80% or higher. You get unlimited repetitions on the exam if you don't pass your first attempt, so you're guaranteed to pass the course! IMPORTANT NOTE: You must take your final exam at an approved test center, under Virginia state law. You will have the opportunity to choose a test center near you during registration. If you need to re-take your final exam, you must wait 24 hours and therefore have to schedule another appointment at your test center to complete your repetition. Why can't I take my final exam at home? The state of Virginia orders you to complete your final exam at an approved test center. We (and all other online defensive driving schools) must meet these state requirements. Your exam is still done directly on our website, so you will register with your username and password as usual - you will only do so on a different computer in an approved location. These include UPS stores, public libraries, and other similar locations. What is the testing and qualification policy? Each of the 9 chapters contains a questionnaire that reviews the important content of that chapter. There are 10 questions per questionnaire, and you need to get 80% or more to move on to the next chapter. The quizzes will provide you with an excellent opportunity to master the course material and prepare for your final exam. You will be provided with feedback on any incorrect answers, and you can re-take your questionnaires an unlimited number of times. You will then take your final exam at the end of your course at your approved test center. Enter your zip code to view a test center near you. You must score 80% or more to pass, and you can re-take the exam an unlimited number of times. You can only try your exam once a day, under Virginia state law. Is there any way the course could fail? Aaa Driving Improvement Program. Ten unlimited repetitions in your chapter quizzes and your final exam, so if you don't get 80% on your first attempt, you can simply take them again until you pass. Keep in mind that you can only try your final exam once a day at an approved test center. If you need to re-take the test, you must schedule another appointment to do so at least 24 hours later. You must also finish the course and pass the test (at the approved test facility) within 730 after the start of the course. Why does this course have timers? Aaa Driver Improvement Program Test Answers Pdf This course is required by Virginia law to span 8 hours. To comply with this law, we (and all other online defensive driving schools) are required to place timers on each page of the course. We that some students may read faster than the timer will allow you to move forward, but state regulators prohibit us from changing this feature. Timers cannot be disabled for any reason. read more
