This new series came out in a barrage of other LOL toys, so its little I don't know yet. Or, she could be totally confused because the name is super long and... is this series 6? We'll answer all your questions and more in this LOL Surprise Glitter Globe parent guide. UPDATE: Amazon has matched Walmart's price for Glitter Globe and has new shares. Check the price now!1. What is LOL Glitter Globe? LOL Glitter Globe dolls are snow globe-inspired dolls that are part of LOL Surprise Series 6 Winter Disco that premiered in September 2019. Glitter Globe is the name of the tot dolls that are in the series. Winter Disco is the name of the whole series. Check out the other Winter Disco series toys here. These cute ones bring the feeling of winter, just in time for the holiday season, and have a fresh new feature that we haven't really seen on any other doll... 2. They have snow globe hair. Snow globe hair?!? What's that, you say? The hair of the snow globe is this cool effect in which it looks like the wrist has a snow globe on its head. Basically, the head of the wrist is molded with transparent plastic with glitter inside. When your little one feeds the wrist water using the included bottle, the shine on the wrist hair will change color.3. The package is a silver, pink and green disco ball. This multicolored ball is on the same theme as the rest of the Winter Disco series. Think of it as a holiday disco ball. It is not perfectly round, but it has many straight triangular sides that capture light. There is glitter and confetti inside the ball because... 4. The ball is a working snow globe! That's right... when your little one unpacks this ball, she'll definitely want to keep it. Unlike most other LOL wrist balls, the Glitter Globe ball is useful. Follow the instructions to add water to the inside of one side of the ball to turn it into a working snowball. Once your little one shakes the globe, you can see the brightness and confetti move and fall into the ball. But... Don't fill the inside of the ball. The doll goes there. Read carefully the instructions for assembling and filling the bottle correctly. Image: Amazon Here are our instructions to fill the LOL glitter balloon: If you bring the world together, disassemble. Remove the cap cover on the glossy side. It's the round half of the ball. Pour water into the hole. Be sure to leave some space at the top so that the water can move freely. Replace the cap cap on the half ball. Make sure it's tight. Secure both halves of the ball together. The doll can be put inside your foot if you want. Push the base of the flat stand to the bottom of the ball so that snow globe can stand on its own.5. The wave 1 package features Prezzie. This cutie is the style as a Christmas gift.6. There are 8 surprises. LOL Glitter Globe is kicking it ol' LOL school with only 8 surprises: Secret message Bubble pacifier Bottle Accessory Outfit Shoes Doll Glitter hair Bubble price LOL Glitter Globe on Amazon.7. NEW: Bubble pacifiers! It's something I've always wanted to do. Present... Bubble chupetes! The glow of your little Glitter Globe will come with a pacifier in her mouth that looks like she's chewing gum and blowing a bubble. That's so cute! And yes... These bubble pacifiers adapt to other LOL dolls from different series, as well as lil sisters and lil.8 brothers. Everything is brilliant. All accessories and doll clothes have shine on them. At this point, LOL doll creators, MGA Entertainment, have mastered bright doll stuff so you don't have to worry about glitter rubbing. They have released at least 4 series of glitter and include glitter on specific dolls and toys, so they know what they are doing. The brightness may lose its brightness over time, but your little one will have moved on to the next series long before that happens.9 Glitter Globe dolls spit out or change color. These cuties have fewer water surprises than other series. Glitter Globe tots only have 2 options for surprises, while other series have 4 or 5. For this series 6, the water surprise that appears on the collector's poster is the only surprise for that doll.10. LOL Glitter Globe has 12 tots dolls on wave 1. Here is a list of all 6 tots series so far: N.Y.E.Q.T. Miss Snow Bashful Q.T. Bold B <1> .B. Sleigh Babe Figure 8 Snow Leopard Prezzie Tinsel On P.O. Soldier Boi Dreamin' B.B. Its name is Soldier Boi and is inspired by the Nutcracker (prince) of the well-known classic Christmas ballet (and the game and film and everything else) called The Nutcracker. Private Boi is also wearing the first eye patch we've seen on a lol doll as a child. Are they the pirates in our future?11 You can build a Winter Disco snowman. Another small complement and

If all this is too confusing, see a summary of The Nutcracker of the Royal Opera House.13 There are no Glitter Globe lil sisters because... 14. Winter Disco Lils are Lil sisters, lil brothers and lil pets. LOL Makeover Series 5 introduced the concept of getting a Lil LOL, in which you could get a lil sister, lil brother, or lil pet.
