After 40 years, we are thinking of achievements, progress, and victories that would not have been possible had it not been for the Seminole Classic Casino. It all started here! Thanks to all who helped us reach 40 years! To begin the anniversary weekend, a ceremony was organized in which team members were invited to hear from the main executive management their vision for 2020 and beyond. Guest speakers included: Jim Allen – CEO David Carroll – Sr. Vice President of Human Resources Chris Osceola – Seminole Hollywood Board Member Edward Aguilar – Seminole Classic General Manager Many employees were recognized for their takeover in the Classic, including one in particular that has been with the company since day one – Sharon Carrero. The weekend celebrations culminated in a bingo game in which one lucky player had the opportunity to bring the all-new Honda Accord for 2019. It started in bingo, so why don't we celebrate in bingo? To honor our anniversary, General Manager Edward Aguilar donated the first ever winning bingo card to the Ah-Tah-ti-ki Museum. This piece of history will now be preserved among many other artifacts that point to the achievements of the Seminole tribe in Florida. of course no anniversary would be complete without Party! After all the hard work, team members were invited to celebrate with delicious food, games, money machine, and prizes. To all those who have helped us reach 40 years, team members and guests, thank you!
