The series began publication in Monthly Media Factory Comic Alive magazine since September 2009 and is licensed in North America by Seven Seas Entertainment. The story is based on the same environment as atto's former work, Toko-toko &amp; Yume no Yume. The 12-episode anime TELEVISION series adaptation of Silver Link aired in Japan from October to December 2013 and was licensed by Sentai Filmworks. The second anime season aired between July and September 2015. The anime film premiered in August 2018 and the third anime season premieres in January 2021. Plot Story takes place in the rural town of Asahigaoka, a place that lacks the many conveniences that city people are used to. The nearest shops are a few miles away and one of the local schools consists of only five students, each of whom is in a different primary or secondary school class. Hotaru Ichijo, a fifth grader from Tokyo, transfers to the Asahigaoka branch school and adapts to rural life with his new friends. The characters of The Main Character Hotaru Ichijo (の条 蛭, Ichijō Hotaru) Expressed: Rie Murakawa Hotaru is a fifth-grade student who moves to Asahigaoka Branch School from Tokyo due to her father's work transfer. She is quite tall for her age and has a crush on Komari to the point that she often sews various plush Komari dolls to decorate her room. She came to Asahigaoka several times when she was younger because her relatives live nearby. Renge Miyauchi (*のの れんげ*, Miyauchi Renge) Expressed: Kotori Koiwai Renge is a first class student. She likes to welcome her friends with the words Nyanpasū (Meow-ning), a meaningless phrase, and plays on the paragraph. While she generally acts at her age, she is often quite receptive. Adds redundant n at the end of sentences as a word tick. She's Hikage and Kazuha's younger sister. Natsumi Koshigaya (越夏, Koshigaya Natsumi) Expressed: Ayane Sakura Natsumi is a first-year high school student. She's taller than Komari, her older sister. Rebellious and carefree, she often talks to her mother, jokes with her older sister and is mined at school. Komari Koshigaya (越の鞠, Koshigaya Komari) Expressed: Kana Asumi Komari is a second-year high school student and Natsumi's older sister. She is quite short, which is a fact she constantly laments as Natsumi often teases her for it. He has an innocent and easily frightened personality that Natsumi often uses. Supporting character Suguru Koshigaya (越卓, Koshigaya Suguru) Suguru is a third-year high school student and Natsumi and Komari's older brother. He doesn't say anything loudly and has very little presence except for the occasional static visual comedy. Kazuho Miyauchi (*の穂*, Miyauchi Kazuho) Expressed: Kaori Nazuka Kazuho is Renge's older sister and the only teacher at the local school. She likes to sleep. Since all students basically study alone in the classroom because of their different grades, they often spend time in the classroom. Kaede Kagayama (加賀 楓, Kagayama Kaede): Rina Satō Kaede is a 20-year-old graduate of the Asahigaoka Branch School who runs a local patisserie. As a result, other characters, and Renge in particular, call her Dagashi-ya (駄菓, lit. Candy Store). Her shop also operates ski rental and mail order service. Hikage Miyauchi (*のの ひかげ*, Miyauchi Hikage) Misato Fukuen Hikage is Renge's older sister who is a first-year high school student studying in Tokyo. She also appears in the author's next work Koakuma Meringue (こくまののゲ, lit. Little Devil's Meringue). When she returns to the village she tries to impress her siblings and friends with her trendy and city-girl ways, only to be overshadowed by the true nature of modern knowledge. Yukiko Koshigaya (越雪, Koshigaya Yukiko) Expressed: Akiko Hiramatsu Yukiko is Natsumi, Komari, and Suguru's mother. She is often strict, especially towards Natsumi, who pants off a lot. She is also a graduate of the Asahigaoka Branch School. When she was a student, she took care of Kazu like Kaede with Renge when she was younger (according to the author in the aftershog). Konomi Fujimiya (富士の この, Fujimiya Konomi) Expressed: Ryōko Shintani Konomi is a graduate of the Asahigaoka Branch School who lives next door to Koshigayas. He's studying for a third year at a nearby high school. Honoka Ishikawa (*のの ほか*, Ishikawa Honoka) Expressed: Ayahi Takagaki Honoka is a first-class student who comes to visit his grandmother during the summer holidays and befriends Renge. He also appears in the author's next work Toko-toko (とことこ). Aoi Nizato (*ののの*, Niisato Aoi): Shino Shimoi[2] Aoi is a first-year high school student who lives in Okinawa and works in a family inn. A member of her school badminton club, she quickly befriends Natsumi over their shared age and interest in the sport. Media Manga Manga from Atto began serialization in Media Factory's Comic Alive magazine from September 2009, and since 23. [4] Seven Seas Entertainment is releasing a series in North America.
