Central rivers aea get media

Iowa's AEAs work with the following agencies and organizations to provide access to educational enrichment opportunities for students, parents, and teachers. High quality, free resources for school and home! Iowa's AEAs give Iowa students and teachers free access to 16 high-ranking, surveyed digital resources. Resources are available anytime, anywhere! Webinars Take a look at these recorded sessions of library/media staff from Iowa's AEA to learn more about AEA Digital resources and ideas to use them for student learning. Webinar series Need help with your login credentials? Contact an AEA library/media associate Copyright Information It is easy to copy a DVD or music file, scan an image, transfer digital files, copy, stream video, etc. But how do you know if copying is legal? Check out the resource below to help you understand more about copyright laws and your rights and responsibilities as users of copyrighted information. The teacher version includes the same content as for students along with information about digital content and virtual learning, copyright permissions, and more.
