In 1990 he conceived and wrote the original First Aid for the 1 from USMLE. His entrepreneurial efforts include a student-focused medical publisher (S2S), an e-learning company, and a teleradiology practice (Radiology 24/7). Trained on the Left Coast, Vikas completed a bachelor's degree from the University of Berkeley, Berkeley, Berkeley, a MD with thesis at UCSF; and residency in diagnostic radiology at UCLA. His eclectic interests include technology, cryptoeconomics, information design, photography, South Asian diaspora culture and avoiding day time work. Always finding the long shortcut, Vikas is an adventurer, knowledge seeker and occasional innovator. He enjoys intermediate status as a kiteboarder and parent, and strives to raise his children as global citizens. Recommended Books First Aid USMLE STEP 1 2018 Pathoma pdf 2019 News A brief inspection reveals the addition of a HUGE number of new diagrams and images that improve the clarity of many, many concepts. As always, great for any medical student to prepare for step 1. As naturopathic medical students, we often use this 792-page Bible to prepare us for our first licensing exam, and no doubt the entire cohort will be acquiring this bad boy. Some new diagrams/images include:1) MUTATIONS IN DNA2) Protein synthesis3) Autosomal trisoms4) Ethanol metabolism5) Immunology has been restructured and reads more logically6) Endo vs. exotoxins7) HIV diagnostic algorithm – LARGE diagram.8) Some additions on cancer immunology (v. important) – can be found in the general pathology section9) Hematology and oncology – reorganized order plus large diagrams on hematopoiesis, pro and anticoagulation10) MSK – lovely diagrams on radiculopathy11) Very pleasant additions to the neurological section, for example. lower extension of the spinal cord12) Some useful photos of real examples of embryonic pathologies13) Illustrations on gonadal drainage14) GI – more histological slides and embryo photos15) Many cardio/respiratory diagrams to complement the text, for example, myocardial blood supply16) Many other minor adjustments.
