Keep things respectful and polite - In order to maintain our friendly atmosphere, the ability to share posts and creative content, comments and posts must be respectful and kind. Constructive criticism is allowed, but keep it kind and helpful. Degragatory comments or re-posting of content with derogatory captions are not shared outside or inside the group. It's an automatic ban. 2. No discrimination exists - discrimination based on race, colour, sex, age, gender, gender, disability, sexual orientation, national origin, language, religion or policy is not permitted in this group. discriminatory nature or hate speech, leads to an automatic ban. 3. Reporting Posts – In order for the page to remain operational and a fantastic place to share snake and reptile content, there will be no reporting posts. Reporting posts may cause the Group to be deleted by Facebook. If you have a problem with the post, tag the administrator or message with the administrator who explains the problem. Recurring reporting is the basis for an automatic ban. 4. Feeding Posts and Videos – Live feeding photos and videos must contain a trigger warning that is alive feeding content. Please post all content in comments and not post yourself. Live feeding content is also noted as sensitive content to ensure the convenience of all members. Live feeding content without trigger warning is removed. 5. Buy and sell posts -No sale of live animals is allowed. This could lead to an outright ban. 6th Content and On-Topic -Try to keep the contents of the snake or reptile bound to ensure less spam and off topic posts. Posts, including leisure or mammals, can cause unnecessary problems between members. If the post is in the ad make sure you receive confirmation from the admin to post. Tags also be an avenue to find more specific posts that they are welcome but not necessary 7. Endangering animals - anything that endangers animal welfare is prohibited. Posting of content relating to the harm of animals will result in an outright ban. 8. Controverscy -When we see controversy unfolding in any post, we turn off comments or delete content in question in order to maintain the best atmosphere. 9th Do not block the admin or moderator. This results in a direct ban. If a rule is violated, administrators will decide which actions to take depending on the severity of the violation. If you are given a warning, you should be given 30 days after approval. Our group has become so large that we cannot cope with every situation individually. Please understand that we can delete content based on the above rules. Have a nice time here! Admin team team
