The restaurant has cheese, crackers and spreads available in some locations to munch on with cocktails, but don't overdo it, or you won't be hungry when your food arrives! Nice menu and reasonably priced. The Original Ordinary Man in Plymouth NH started the tradition of white chocolate pieces with your bill, and all add'l Common Man Restaurants continue the tradition, a very good tradition!!! Valet parking is available. (Free) I have visited Common Man many times, always enjoying the atmosphere, food and staff. I was glad to hear that they had gone to pick up and shipping here in Concord and decided to give it a try. Again, they've hit... home run in my book. The menu is take out online, and I ordered over the phone with credit card payment although there are other options. The food was delivered on time and the delivery person was very careful to put my bag on the tray, and held it to me at arm's length for me to remove it myself. It's all great, but the food is normal. I'm glad that they've even stuffed some crackers with their trademark cheese spread container, some of their delicious rolls with whipped butter AND, one of my favorite white chocolate chips. It's all as if I'm sitting in a restaurant. Thank you Common Man for being there. I'll order another delivery, and it'll be at your restaurant again soon. Go faster. More
