Although we know nothing is entirely safe, we have done the best to ensure the games in the safest environment of the country. Maine Hoops is proud to continually offer opportunities to young basketball players in Maine in accordance with community sports guidelines. This winter we are currently planning on hosting the Southern Maine Basketball Youth League Grades 4 - 8. The high school grade plan will be made after the MPA makes a decision on the winter season. We'll also be adding information about the Central Maine League soon as well. Maine Hoops presents the Southern Maine Basketball Youth League. The league is open to boys' and girls' teams in 4th-8th grades. The league will be divided into a division of the travel team (local city teams) and the club team division. Similarly, Fall players and teams will be divided into cohorts to ensure the safety of all players. Maine Hoops is proud to have provided the safest basketball opportunities for young people in Maine over the past 5 months and will continue to do so. The Maine Hoops will create a cohort of groups of 4-5 teams to participate in over 9 weeks playing December 4 - February 14 divided into 3 Cohort sessions lasting 3 weeks. The games will be played on Fridays through Sunday. Teams will be mixed after each cohort session, so you won't play the same teams during the season. There will be one weekend break between each cohort to use security protocols. Teams will play at least 5 games per session to guarantee 15 games. The final weekends of the session will be determined in the form of the Bracket Buster tournament. Cohort sessions will be split based on the number of commands at the grade level. Cohorts will be organized by grade level and skill level to make sure that you players become competitive level games. The cost for each session is \$425, however there will be a \$25 discount on signups for all 3 sessions. (\$400 per session) Click here for the Registration link for the Southern Maine League Click Here registration link for the Central Maine League (Coming Soon) All evidence from the CDC and other agencies indicates a very low risk of Coronavirus young people aged 5-17 years. However, Maine Hoops and Zero Gravity urge all to participate in complying with the recommendations to avoid contact with those who are at risk and at risk. We also recommend that those who are at risk stay at home during these games. WHY MAINE HOOPS? You don't last more than 20 years if you don't do it properly! We are one of the Some tournament providers that really care about your team's match ups. We have some grassroots Tournament organization that just wants to get the schedule out. You make a difference with us and we will work hard to give you the best match-ups we can. We have teams from all over New England and Canada already committed to our events. Why Maine Hoops Tournaments? Regulation of Games (No Working Hours - Southern Maine Only) Certified Board Officials, Top Locations and Gyms. We specialize in one-day options, choose either day play. No reason to look anywhere else! You can register late until 12:00 noon on the Tuesday before the weekend game. See What Clubs says: I wanted to thank you for a great weekend! It was a very good run in the tournament and we had a great time... Kresten S. Great Tournament again! We loved Chris R. .. was a great event for Lenny and I know all the players and parents had fun... Shawn L. This year Barre Swish brought in 5 teams from Barre, VT, hopefully next year we'll bring the whole 9. Good Job!! Corey T. We lost our three games, but we had a beautiful time. We'll be there for the third time next year... Thanks for all Sylvie L. We had a great weekend at Lenny. Thanks for everything. It was a great way for my kids to complete their high school basketball journey... This is a championship event with winning teams receiving championship T-shirts. All games will play in maine portland/saco field. What a great way to show your support for veterans and service members at Veterans Day Weekend. Home to Our Troops (HFOT) is a privately funded 501(c)(3) non-profit organization that builds and donates specially tailored custom homes across the country to severely wounded post - 9/11 veterans so they can rebuild their lives. Most of these veterans have long-term injuries, including multiple limb amputations, partial or complete paralysis, and/or severe traumatic brain injury (TBI). These homes restore some of the freedom and independence that our veterans have sacrificed in defending our country and allow them to focus on their family, recovery, and rebuild their lives. Since its inception in 2004, almost 90 cents every dollar has gone directly to our program services for veterans. The HFOT builds this home where the veteran chooses to live, and continues their relationship with veterans after home delivery to help them rebuild their lives. Join and play some Great Fall Hoop action while benefiting for a big reason!
