Let's see... But... Beautiful, sweet, successful, wounded, insecure (if necessary), wonderful but. He's very strong, he's. Very... But poor thing! Pssstt.. Can you hear my sarcasm here? From the start, we get what Emma wants. Being husbandless and childless after her parents died was all the more painful. After losing her mother two years ago, she had sworn to replace me like a fluffy, funny, easy book, but instead I have a book that is on my nerves in a big way!!! Let's see... But... Beautiful, sweet, successful, wounded, insecure (if necessary), wonderful but. He's very strong, he's suffered so much... But poor thing! Pssstt.. Can you hear my sarcasm here? From the start, we get what Emma wants. Being husbandless and childless after her parents died was all the more painful. After losing her mother two years ago, she had sworn that by finding a husband and having children, she would replace the love she had lost. It's a mature tendency!!! Oh, but he's suffered so much... Poor thing, he's... I'm crying here!!! So what's his wonderful, smart, smart idea??? He makes his gay friend to donate his sperm!! And when he refuses, he's very !!! Oh, but I don't !!! His friend Casey is not much better: You just have to tell him to be a man up, grow a pair and give you some sperm!!!. Such a mature and intelligent thing!!! I can understand Aidan. He's under 30, but his fertility hours are ticking??? what??? Now 30-year-old women are considered young. I almost feel insulted on behalf of all the women who start planning children after their 30th birthday! Well, I tell myself, this bright chick is an erotic story, so you have to forgive some dishonesty, but as I read about everything worse and worse... But such a sweet girl makes a contract for Aidan to sign the place that protects herself and Aidan. Oh, such a wonderful way to be happy and perfect after having suffered so much (see above)!!!! And they're going to !!! Aidan is such a mute woman-maker that she books a honeymoon suite, rose petals, candles, champagne, strawberries... What a terrible thing to do!!! And so they f\*ck and obviously he falls for him and he falls for him. It's okay, it's a bright, erotic chick romance. but... Aidan constantly complains about Emma's mouth. And it's not like that! He's very smart and funny... Um, I mean, we can't do anything for your legendary ass. This mouth of you is ----- I can't believe Mr Aidan Fitzgerald - Sex God Extraordinaire is doubting his bedroom abilities. In his taunt, Aidan is expressed over the slip-out To barely solder in a second. Again, your mouth -----, Yvasen isn't a state swimming champion, so what do I know? Aidan shook his head as he threw off the coil. I'm the only one who finds something cool there??? Okay, maybe it's some kind of American humor that I don't get... And I continued to sing, hoping things would get better... So we know why Aidan is a woman-maker. He's a broken man. She's 30, but when she was 20, she still suffered from quitting, poor child... He has been deceived and he has been repeated with fraud. Very mature! But their falling in love continues and more continues I get annoyed by both of them, but more by Emma. Aidan's voice choked from under the pillow. Um, can you take him and scream somewhere else? Anger burned through Emma. How dare he treat her like that? Changing Mason on his shoulder, he used his free hand to hit Aidan's bare back. Hard. He threw the pillow back and stared at him. What was that for? Why are you so indes feelingless? Because I've been over-working, I've kicked the jet and I just want to sleep, but he shook his head. Your behavior tonight seriously gives me something to think about, Aidan got up in bed and rubt his eyes. What are you bitching about now? Is that what it's supposed to be like with our baby? You're just thinking about your own selfish needs, when it comes to us and sex, loathe the baby and most of all, and it makes it look like I'm a single parent when I'm in the same room with me? Edan moved off the sheet with a roll of his eyes. ok. I'm gonna make the bottle. Maybe, he replied. Although he stomped naked from the room, he grinned that his speech had impressed him enough to react. Every little battle was a victory in his favor. . Oh, how dare he treat her like that???! Bad, bad, aidan!!! Hey, Emma, I know you love her, but she's still just a sperm donor, not crazy about your love!!! What did you expect? We know Aidan's falling in love, too, but he's still fighting him, he's so immature that it's unbelievable! All the characters in this book are very immature and designed at best. Emma, Aidan, Casey, Emma's grandparents, the Aidan family... They act like a stereotypical character: BF, they love grannies, perfect siblings... It's so sakarin that I almost got diabetes! And the end? Yeah, he's got a Cliff Singer... It's kind of... The strange thing I read the sequel!!!! i must have had some masochistic !!! ... More... More
