Creative Mobile Games Android 4.4 + Version: \$2.0.28 0 Drag Racing (MOD, Unlimited Money) - feel like a street racer, sit down for racing cars and participate in drag competitions. Performs many tasks and improves the performance of the machine. Compete with a large number of players from around the world and throw the challenge to your friends. The most interesting thing in this game is that all the machines that you will see in the appendix to the actual performance, and its unique appearance, high quality 3D graphics and easy control, drag in the game is not for an hour. Updated to version 2.0.28! Andro-Mod » Games » Mod » Drag Racing (MOD, Unlimited Money) Drag Racing is the classic nitro powered racing game for Android! Race, Tune, Upgrade and Customize 50+ cars with real license from the hottest car manufacturers in the world. Climb the leaderboards and immortalize your name in the Hall of Fame! Challenge other players online: race 1 to 1, drive your opponent's car, or participate in real-time races of 10 players in the Pro League for Android players who are looking for a straight racing game, would be Hill Climb Racing, but have more speed items, Drag Racing is definitely a great game for you. Being released for quite a while now, the game is still considered one of the best racing game you could experience on mobile devices. That being said, let's take a look at this amazing game from Creative Mobile Games as we provide honest reviews. StoryIn the game, players will play as a novice racer who has just begun his racing career. Choose the first cars and hit the tracks for some actions. Drag Racing features a relatively simple racing mechanics that only involves simple speed up and gear switches. However, you will find the game highly addictive through the vast content and many racing modes in the game. Let's take a look at all the interesting features that the game has to offer: Don't spend any time getting used to the game and engage in high-speed racing actions. Jump on your favorite cars and hit the streets. The game features relatively simple controls that require only focus on achieving the highest speed through accurate speed switches. Here you will find yourself dozens of different cars to experience. Choose from over 50 officially licensed cars with some of the most realistic features. Choose any cars from the dealer as long as you show him enough money. Be the best in Drag Racing and ride only the best vehicles. And to make the game more satisfying for players with different preferences, Drag Racing features different racing modes that take you through some of the most enjoyable racing experiences. Fast Race – start by to interesting fast races where you will go against some of the best competitors. Compete with each other in short pieces of 1/4 and 1/2 mile and earn yourself some rich rich – those who prefer the long campaign could take on career mode if you will face racers with varying skill levels. Start at the bottom and earn your rights to play with the big boys. Pro Leagues – and if you're looking for serious challenges, Pro Leagues is definitely where you should go. Join epic racing experiences and race against the best racers. Contests can have up to 10 racers at a time, so make sure you can withstand the heat. Win against your competitors and win valuable prizes. Drag Racing players will be introduced in various locations around cities. Participate in epic racing events while walking on multiple maps and lands. Burn the streets with your extreme Nitro boosts and sends your opponents back into the smoke. For bored offline players, Drag Racing also offers online game modes where players can share their racing experiences with the best racers around the world. Challenge each other in various racing activities and earn your reputation. Face to face – if you're looking for a quick online challenge, this is definitely the best place to start. In this mode, players will be introduced to a random online player. Fight all opponents who come to you and defeat them to win prizes. Driver fights – for those looking to make their name, online racing would certainly satisfy you. In this mode, racers are allowed to join other racers in a multiplayer racing event. You have to take down your opponents one by one to win first place. Bet and race – and if you're so confident in your skills, why don't you challenge each other in an epic bet and race match. Choose your bet and leave any bold competitor who can afford that to race with you. The winner will take all the money and glory. And last but not least, players can also connect to their online social accounts and find friends who are also interested in playing as they would. You can search their racing records and try to beat them. Praise your friends about recent progress and achievementsAlong with the main gameplay, Drag Racing also introduces players to the exciting events and tasks they might complete. Sign in to the game and choose between several racing events that are available. Compete in various events and win the prizes you deserve. And don't worry, each event is carefully selected to suit your capabilities so that they don't get too hard for you. And if you want to turn your old vehicle into a beast, there are no better places than the garage. Here you will have access to all tuning and customization that are currently available on your machines. Give it a new engine, exhaust, tires, and so on. Give your nitro tank machines improved so you can get better speed and have a decisive advantage over your opponents. You can even change the painting and on your cars. Customize it the way you like it. The game also has the world records panel where you will find specific information about different records. Competitors' names, events, rules and so on. Then you can choose to break their records if you are confident in your skills. Let your world's name be known. Although the game still has in-app purchases and some ads, the fact that it is completely free to download still surprises many Android users. That said, if you are looking for an authentic and satisfying straight racing game, Drag Racing will give you everything you need, and more. As for those who would like to get rid of all ads and in-app purchases, our mode will introduce you to unlimited gameplay. Just download and install our Drag Racing Hack APK file on your devices. Follow our instructions to have the game available on your system. Immerse yourself in the realistic and authentic straight racing game where you get access to officially licensed cars. Ride on amazing cars, experience accurate visual effects, and be the one who sends your opponents back home. With powerful sound experiences with engine growls, crowds of applause and so on, you'll feel like you're really caught up in racing. If you are looking for a new racing experience that does not involve any steering actions, then Drag Racing is definitely the best game for you. Look no further as you're just seconds away from enjoying this amazing straight racing game. An ultra addictive racing game with realistic controls, and over 50 real cars! + Over 50 real cars, the most beautiful American cars to sedans that display more than 1000 horsepower! + Challenge millions of drivers online: play duel, drive your opponent's car, or participate in real-time races to 10 players in The Pro League Try to find the perfect balance between power and grip while still in your category! Equip your car with a nitrogen load, but don't pick up the turbo too early. + Keep the price of the car under the ceiling to get a benefit. + Defeat the boss and earn rewards to earn more PR. + Challenge other online players to earn a lot of money and PR! App By: Creative Mobile Games Version: 2.0.26 for Android Updated at: December 5, 2020 Drag Racing (MOD, Unlimited Money) – Looks like a street racer, stand up for a racing car and participate in drag competitions. Many people work and improve the performance of your car. Challenge most players around the world and challenge your friends. The most interesting thing about this game is that you will see cars for a real car. Its unique look, high quality 3D graphics and easy control you can't shoot in the game for an hour. StoryIn the game, the player will act as a beginner who has just started his career as a pilot. Pick the first car and drive. Drag racing offers a relative racing mechanic, which includes only the simplest speed and change of speed. However, they will find the game extremely appealing because of the huge content and many modes in the game. FeaturesLet's take a look at all the amazing features the game has to offer: simple and intuitive operationDon't spend time getting used to the sport and get involved in high-speed racing. Get in your chosen car and head down the street. The game has relatively simple controls that only require you to achieve the highest speed through certain gear changes. There are dozens of different cars availableHere you will experience dozens of different machines. Choose from over 50 officially registered vehicles with some of the most realistic features. Select any car from the dealer as long as it shows you enough cash. Be the best at drag races and drive only the best vehicles.
