After two days, they returned with a quote, which is much cheaper than all the others, but Allied Insurance (the Company Nationwide). I've looked around but can't find anything about them, but I find some very negative comments nationwide. Do you have an opinion on Allied? Or just pay \$400 more a year for auto + home + umbrella and go to the state farm? I quoted travelers about an allied trust. Which allied trust came so cheaper about \$400 less a year. Does anyone have knowledge about allied trust insurance if it's a good or bad insurance i can't find any online only from allied insurance which is not the same as allied trust. Or i just go about home insurance which also i cant find anything online about itthanks for advanced! All reviews will help you a lot! Look for insurers. .
