Patterns for Reading and Writing View PDF Patterns for College Textbook Writing | Buy textbooks | Languages and textbooks of literature | College Writing Skills Textbook Summary Author of bio Content Digital Rights Laurie Kirszner and Stephen Mandell, authors with thirty years of experience teaching college writing, know what works in the classroom and have a knack for choosing just reading. The designs for college writing provide students with exemplary rhetorical models and instructors with class-tested selections that balance classic and contemporary essays. Along with more examples of student writing than any other reader, The Patterns has the most comprehensive coverage of active reading, research and the writing process, with five-chapter mini-rhetoric; clearest explanations of development models; the most detailed apparatus of any rhetorical reader; and the most comprehensive coverage of argumentative writing-all reasons why role models for college writing are best-selling readers in the country. And the new edition includes exciting new readings, images and discussions and casebook themes. Designs are now available as Bedford e-Book to Go and in various formats that can be downloaded to your computer, tablet or e-reader. And now with the new release, you can meet with students where they are: online. Our latest set of online materials, LaunchPad Solo, provides all the key tools and of course-specific content that you need to learn your class.
