The Mr. Resetter performance may be a nod to Mr. Resetti from the Animal Crossing series. The quote Something Wicked This Way Comes is most likely a reference to the same quote from one of the witches from Shakespeare's play Macbeth. Afterbirth+ Booster Pack #5 64 Secrets added. Interestingly, this is a single secret more than Afterbirth+'s original number of 63 secrets. Thus, this update has more than doubled the amount of secrets added to the game. PS4 Achievements 340-348 does not exist in the PS4 version, which means that the content is already unlocked for new storage files. Files.
