Prepare for feast goals, gaffes, and super-fast football action with this wacky, football-ized mash-up of air hockey and pinball! Football Head 2014 World Cup is a fast and furious skill based game for kids and teenagers where you have to highlight your opponent with a hectic two-minute game of football heads. Much like the bizarre version of table football, it's a fun action where you control a miniature bobble-headed football player and have to force the ball into your opponents net (by any means possible) to score a goal. You can score by kicking, heading, deflecting, pushing, and rebounding the ball from all angles! Featuring all 32 countries that qualified for the real-life World Cup 2014, you are able to play as a mini-version of some of your favorite real-life football stars (Messi, Ronaldo, Neymar, Klose, Benzema, Rooney, and more!). There is also 2 Player Mode where you can challenge your friends and family! Sharp reactions and keyboard tapping skills are very important here as you try to predict the path of a fast ricocheting soccer ball. The element of success also comes into play, as it is often impossible to predict where the ball could bounce next! One thing is certain you're on a wild football themed experience! Get ready to see all sorts of madcap goal scoring feats! How to play: There are two different game modes to choose from: championship mode, and two-player mode. In championship mode, you enter the tournament format that matches the 2014 World Cup package set. Your goal is to finish your group 2 in the best game and then win all knockout matches until the Grand Final. Once you have chosen your country and arena, the action begins. Each game lasts two minutes and you control the player defending the goal on the right side of the game screen. Use the ARROW KEYS on the computer keyboard to control your kicker's movements. Press SPACEBAR to swing his boot at the ball. Most of the time, the ball is in the air, which means you have to judge bounces, and try to jump (Up Arrow) and head the ball toward the opponent's goal. Every time the goal is scored, the ball is returned to the player who allowed the goal to start again. Keep an eye on the clock and scoreboard at the bottom of the game screen. In the group stages, it is a 3 points win, and one point done in the match. Knockout games, if teams are level after 2 minutes, it goes to the Golden Goal situation (i.e. the next team to score wins the match). In two-player mode, the player to the left Pitch use wasd keys to move and SPACEBAR to kick. On the right side of the player use the arrow keys to move and P KEY to kick. Enjoy the action!
