The pieces are obtained as boss drops of Raid Finder fashion Heart of Fear and Terrace of Endless Spring, and as manufactured by Leatherworkers. Unfortunately there are no exact matching items for the leg lock, apart from the Shaman tier pants themselves. This is not a problem if you are wearing a bathrobe to cover the legs, as shown in the image above. However, there is also a tunic that corresponds to the top half of the robe model, but does not cover the legs. Make sure you model the bathrobe if you want to replicate this look perfectly! To complicate matters further, the LFR loot changes that were implied with MoP mean that a hunter would never be able to obtain any of the intellect items listed below, and as such could not complete the full outfit. Shaman can complete the look, but to do so they may need to match tier items with the items below, or change their loot specializations. The pieces are obtained as boss drops of Raid Finder fashion Heart of Fear and Terrace of Endless Spring. Unfortunately, there are no exact matching items for head or leg slots, apart from the Priest tier hoods and pants themselves. Note that due to the LFR booty changes used with MoP, only spirit-using fabric carriers would be able to win the items listed below. In other words, only priests are able to replicate this particular look. Shoulders - Shoulders of Foaming Fluids (Garalon in raid finder Heart of Fear) Chest - Robes of Torn Nightmares (Wind Lord Mel'jarak in raid finder Heart of Fear) Wrists - Cuffs of the Damaged Waters (Guardians of the Endless in raid finder Terrace of Endless Spring) Hands - Gloves of Grasping Claws (Visor Imperial Zor'lok in raid finder Heart of Fear) - Waist of Belt of Embodied Terror (Tsulong in raid finder Terrace of Endless Spring) Feet – Scent-Soaked Sandals (Imperial Vizier Zor'lok in raid finder mode Heart of Fear) Alternatives: Chest – Robes of Pinioned Eyes (Sha of Fear in raid finder Terrace of Endless Spring) Wrist – Darting Damseliff Cuffs (BoE with a chance to drop from Tier 14 LFR loot bags, Darting Damseliff Cuffs (BoE with a chance to drop from Tier 14 LFR loot bags, Darting Damseliff Cuffs (BoE with a chance to drop from Tier 14 LFR loot bags, Darting Damseliff as well as those of Galleon and the Sha of Anger) Waist - Healer's Belt of Final Winter (Tsulong and Lei Shi in Raid Finder fashion Terrace of Endless Spring) Heroic Thousand-Fold Knives Copy Tier 14 Rogue Lookalike Armor Type : Leather Level Req.: 90 Source: Raid drops Availability: Time consuming to collect 3D model: Wowhead Link How to get the set: This outfit is a non-class-specific visual copy of the item level 509 Rogue T14 set, the Battlegear of the Thousandfold Blades. As such, other classes cannot perfectly replicate this look. There are item level 509 heroic agility leather shouldders that should logically fit the look of this set, the Shadow Heart Spaulders, but they currently have an incorrect model ingame.
