The property map below shows the layout of our cottages and common areas on the property. Jump to Content Secluded and charming location on a creekA short drive from quaint shops and restaurantsAll units are individual cottages with patios and hot tubs Each cottage includes a fully equipped kitchen, fireplace, and barbecue grill Outdoor amenities such as fire pits and picnic tablesETes for kids at a nominal nightly rate and a dog parkConsenza WiFi See More Pros Cottages are close by , which means little privacyYe few on-site amenities; no pool, fitness center, or full restaurant Guests must wash their dishes to avoid a fee See More Cons Cypress Creek Cottages is a quiet, village-like property on a creek in Wimberly, a short drive from both Austin and San Antonio. With only 11 fully equipped cottages throughout the property, it has an intimate vibe -- though the cottages are relatively close to each other. Each includes a full kitchen, quaint décor (fireplaces and floral accents), and updated amenities like flat-screen TVs and free Wi-Fi, and pets are welcome. The property attracts both families and couples with its rustic-chic vibe, but -- lacking a pool, fitness center, and full restaurant -- it has very few on-site amenities. See More Bottom Line Cypress Creek Cottages evokes a strong sense of Southern hospitality. The entrance and guide are no-frills, with a dusty street lined with trees leading to the cottages, half of which are sitting on the creek that bears the hotel's name. As a property consisting of 11 different cottages, most common amenities such as fire pits and dining rooms are outdoors. The property attracts both budget-conscious couples and families, and many with pets considering its pet-friendly policy. See More Scene Central Texas is home to Texas Hill Country, known for its breathtaking hills, creeks, and rivers. The property is tucked away among the foliage surrounding Cypress Creek, which the cottages run along. It's a short drive from downtown Wimberley where there are 'Mom & Pop' shops and plenty. At 50 minutes of from Austin and an hour and 15-minute drive from San Antonio, the property is particularly popular with Texans on vacation. See more location With only 11 cottages, Cypress Creek Cottages can be small in number, but the footage does when it comes to bedrooms and and Room furnishings are quaint (bordering dated) and some show wear and tear, but the cottages all come with private outdoor decks with fireplaces. Most cottages are one-bedroom, but some have two rooms available. Amenities are impressive, with each cottage with fireplace, free Wi-Fi, a sofa bed, and a fully equipped kitchen. Dishes must be washed on departure or there is a fee. See More Rooms Cypress Creek Cottages has a great pet policy with free unlimited access to their fenced in the pet park and Cypress Creek, pet day care, a vip welcome package for pets for a fee, and an affordable daily pet fee. In addition to the creek, a picnic area, and some fire pits, there are few on-site amenities, the hotel lacks a full pool, gym, and restaurant. Nearby activities include strolling through Wimberley's Old Town, dining at one of the city's many restaurants, zip-lining through Devil's Backbone, and wine tasting through Texas Hill Country.
