## Parker brothers games instructions

This series contains instructions for the games published between 1893 and 1952, with most games from 1920 to 1940. They are arranged in alphabetical order and, where possible, dates are determined according to the date of copyright of the instructions. Parker Brothers made most of these games, although the products of several other companies appear. Some of the guides has little notes in Howard's handwriting. Next I played from the days of Pong and still my working Atari 2600. I'd rather ramble about retro games, whether they're board games, video games or PC games. Sometimes I deviate. Decades after earning it, I'm finally starting the skills I learned while completing my history degree at the University of Victoria for good use. Or so I guess.
