Otherwise you can squeeze the juice out of a sugercan stem, sprinkle a little black salt, add a pinch of lemon
 and some spries of fresh mint to prepare a fantastic summer drink. This reminds me that Taaj Chaat House offers Sugercane juice... so I'm pretty sure that have some stems that you could offer to buy. 18-06-2012, 4:36pm Position: Ken Caryl, CO 687 post, read 2,218,371 times Reputation: 449 Quote: Originally published by nrook Plus, someone recently
