Now you can also challenge your friends and family members into an intense arcade tank battle of 2 or 3 players! AZ is a straight forward but adding online shooting action game for kids &amp; teenagers where two or three players engage in an angry maze-based conflict that features fast tanks, huge explosives, and more! With a perfect air view of the combat field, players must race around closed areas, collect weapon upgrades, and basically try to eliminate their opponents/s as quickly as possible! Quick response and sharp keyboard tapping skills are key to successfully blasting tanks in this fun Flash 2D shooting game. Good combat strategy is also extremely important on the narrow maze battlefield. You really need to avoid enemy firepower while getting yourself into good attacking positions. But are you the kind of player waiting for your opponent to make the first move? Or do you go chasing your opponent with a 'gung-ho' attitude? It's time to show your stripes! Play this bomber game at War II: Battle for resources think you've got the flying skills to become the best fighter pilot in business? If so, now's your chance to come back in time to prove it! Bomber At War II: Battle for Resources is a fast-paced, flying and shooting action game that takes you into the heart of high-octane air battles where you play the role of a fighter pilot on the front line. At the beginning of each level, you are assigned a task briefing and you must complete this without being shot down to progress. This addictive, flash-based action game uses classic air-to-air combat gameplay combined with retro arcade style to give you an enjoyable, role-playing flying experience. Shoot down other planes, bomb military bases, destroy enemy tanks and trucks - if that's your way, shoot it down! This all-action game exercises your dexterity and hand-eye coordination skills as you perform fancy flips and evasive tactics in your search to eliminate enemies. Ready to fight? Show us your pilot-savvy skills, Maverick! Play this game Prepare to be engrossed in Tanking Tanks, a great browser-based shooting & tank game. Adventure Parade This amazing addictive is one of the most popular types of games. You are immediately immersed in a very intense shooting frenzy in full-on battles against tanks, helicopters and ever trying to outsmart you computer management opponents. Engage in conflicts based on explosive tanks. You must always be vigilant and destroy opposition tanks. This great online strategy & tank-based war game requires very good decision-making abilities, and military tactics. Be a lone wolf fighter, skulking in the dark and picking out enemies from afar! You definitely need super-fast reactions, hawk observation skills, and agile keyboard harnesses to excel here (where the competition is just so fierce!). Choose your battle wisely, build your reputation, and become one of the world's scariest and most respected tank operators! However, will you survive the heat long enough to wear your medal home with honor? Playing this game ready for some crazy, intense, 2d laser-shooting action platforms? Infiltration 2 is a great, fast-paced and action-packed, side-scrolling fighting game where you play the role of a solitary rambo-style commando, and must infiltrate the base of an alien army, and blast alien robot baddies on an awesome mission filled with high-power weapons and upgrades! Climb your way through four levels of explosive platformer, eliminating everything in your path with precision and smart combat movement! Essential skills: This challenging arcade shoot-em-up game combines goal-based shooting and accuracy with platform-style running and jumping action. Sharp reflexes, hand-eye coordination and predictive skills are absolutely necessary here. Strategic planning, stealth combat tactics, and courage are needed! No serious soldier wades into a firefight without knowing his surroundings and what to expect from the enemy. Multi-tasking comes into play as you skillfully control both your computer mouse and keyboard at the same time in the middle of battle. Play this attention game all wannabe Robin Hoods! It's time to practice your archery power! Max Arrow Archery is a challenging sports shooting game where your goal is to score points by hitting a target with a bow and arrow. It is not as easy as it sounds though, because the targets are at different distances and you face changing winds. This game is all about judgment and accuracy. It is also a good game to help develop good hand-eye coordination as well as challenge your ability to sense depth as you try to master the noble tradition of archery. Hit the Bullseye (center) to score maximum points and move himself up that high scoreboard. You will need to have patience, because this is a game that requires skill and concentration when you try to nail that Bullseye! There are some tests and bugs needed in this game to keep shooting and you will be arrow master in no time! Think you've got what it takes? Well take your bow and arrow and let's go for it! Play this Game Bloons Archer is a immersion arrow shooting game where Shoot down balloons by popping colorful balloons that are floating along the way. And countless different types of balloons - all just begging to appear! In this archery game you have to use your skills and your smart thoughts to get a clear shot and pop all the bubbles As few arrows as possible. You must pop all the balls to complete each level and you must destroy the structures that protect them. Playing this Air Fighter game is a challenging game that will give you a battlefield-like experience. With great graphics and themes, all you have to do is swing with your fighter and destroy the enemies that travel your way. While the jets will be constantly shooting, just manom your planes inline with on-line enemies to send them quickly! Experience life as a fighter pilot in war and show people what you are capable of! Stay alive as long as possible by dodging flames and destroying as many planes as possible! A top tip would be to decide on a strategy soon, either go for attacks and kill as much as possible to maximize your score, or act on defense to stay alive as long as possible. This game definitely puts your strategic skills to the test, choose a strategy and stick to it! You will develop this skill and then you will be able to learn from it later. Think what went well and what could be improved? Play this game Ok Top Gun, it's time to jump into the cockpit, brace yourself for an intense dog fight, and keep your finger on the trigger! Luft-rauser is a simple and addicting 2D fighter-jet flying game where you play the role of a brave and daring fighter pilot. Destroy as many enemy planes and battleships as you can in this high octane adventure in the sky. You're sitting in an exploding captain plane – it's time to light it up, and show who's the boss guys! Dodge and weave your way around a war zone as you try to avoid enemy fire from all angles. Simple classic graphics are reminiscent of classic arcade flying games like Space Invaders and Asteroids. Use your flexible war planes to perform cool flips and great diving while taking part in dangerous air combat. Watch for fast enemy planes to reach hot on your tail, navigate aggressively to outflank them, and survive for as long as you can use your quick response and finger convenience. If you get out of this extreme air battle uns hurt, you can jump out of the cockpit and shout I'm going to Disneyland- just like in the popular flying movie Top Gun! Good luck brave fighter pilot. Playing this Laser Battle Robot game is a fun, frantic, shooting-based, platform fighting game for older kids/teenagers with single player mode and two. Here, you can guide a robot/droid character to shoot lasers around a battle limited, full of ledges. In a fierce, one-on-one encounter, your goal is clear; Blast your enemies with your deadly laser weapon. The game title says it all... Robots, lasers, battles! Reasons to play this addicting, action shooting game: Dash around 6 different battle bases, use the terrain to your advantage, and try your outsmart you with difficult operations and sharp combat tactics. Forget about fancy weapons, power and extras, this is a simple one-on-one competition where cool skills and heads dominate. Strategy to win: Jumping around with 'all the flaming guns' might be fun to watch, but it can lead to you being professionally picked-off by more calculated opponents. Be cunning and strategic in your movements! Use ledges and obstacles to your advantage by hiding behind them. Quick reaction, agile finger dexterity and good observation skills are also extremely important. Playing this intrusive game is a highly challenging, platform-based, side-scrolling shooter for older kids where you have to blast your way through five levels of enemies including robots, skilled enemy warriors, and helicopters. You play the role of a rambo-style, stealth commando character, and must quickly move through difficult platforms and full-level ledges, eliminate enemies through intense fighting, accurate shooting, and often cause as much mayhem as possible! Essential skills: In this amazing, fast-paced, aiming and precise action game, you need to show off your quick reactions and convenient keyboard control skills as you guide your commando through each difficulty level. Good observation and hand-eye coordination skills are important when you try to predict enemy attacks, avoid enemy missiles, and survive as long as possible. Play this Bandit game: Gunslinger is an old wild west, side-scrolling, shooting and platform game where you have to make your way along the roof of a moving train, eliminate enemies and dodge obstacles as you progress! You play the role of a principle gunslinger, and must fight a gang of scruffy bandits out to get you! A mistake - and you're a goner! Reasons to play this fast-paced cowboy action game: This is a fun, old-fashioned, wild western game on a fast-moving train engine! It doesn't get much more arcade school older than this! Perform quick reactions and your observation skills as you fight enemies from both sides, and jump over obstacles to remain upright on board. Strategy to win: Constant vigilance and predictive skills are key to success here. You must be constantly wary of attacking bandits from your left or right, and may also be on the lookout for pesky poles and signs that can easily knock you over if you don't take quick, evasive action. Good keyboard control is also important because you have to quickly learn how to control your movement and weapons at the same time. Play this video game - you've got a date stress at the office. What makes things worse is that cheeky yellow smiley balls keep peeking and disturbing you from all angles. If only you could relieve your stress by shooting at them with a paintball gun.... Aha! Stress Relief Paintball is a fun, fast and eccentric shooting game where Must score points by shooting point on the cheeky smiley faces that appear on your office work environment. Pick out those little pesky pHd students with the correct shots – and show them who's boss around here! This paintball sniper game requires super quick response to your computer mouse (or touchscreen) and finger click as you must quickly change your shooting direction depending on the movement of your targets. You need a steady hand and shoot skills exactly as these nasty little faces move quickly around the office, shielding from fire and trying to dodge your paintballs. Can you get rid of your office and your day of these small pests for once and for all? Good Luck Paintball Sharpshooter! Playing this game left behind enemy lines, the legendary Sergeant Blitz is about to find out that sneaking through a forest packed with extremely hostile opponents isn't exactly a walk in the park! Western Blitzkrieg 2 is a military-themed platform game, shoot 'em up, platform for older kids where you play the role of Sgt. Blitz on a daring solo mission to find a hidden army barracks. Armed with an impressive arsenal of guns and grenades, you must carefully inch your way through dangerous side-moving forests, remove as many camouflage baddies, and pick up valuable clues to the incredible barracks location as you progress. Animated 2D graphics, funny parachute landings and fluid gameplay make this amazing army adventure a real treat to shoot them up game enthusiasts! Reminiscent of classic arcade games like Cannon Fodder and Tiny Soldiers, you must strategically plan your route through each level. A bomb blast, bullet fest simply won't work as your opponent a lot outs than Sgt Blitz, who finds himself like a lone wolf! Do you have astute military know-how, and the power to harness the keyboard to complete missions and ensure Sgt. Blitz remains one of the world's most respected reconnaissance soldiers? It's time to get your Blitz on - good luck out there in that jungle! Play this Dash game around a limited desert battlefield, and eliminate enemy tanks with precision rocket shots in high energy survival games for 1 and 2 players! The tank is a straight forward, aiming and accurate skill-based game where you have to use quick response and sharp keyboard tapping and mouse control skills to manom a tank quickly around a small battlefield area. With enemies approaching from all angles, you must explode your way to victory at increasingly difficult levels. Reasons to play this tank fighting arcade game: This is a game Simple, easy-to-play tank combat without frills - just eliminate the enemy tanks that are approaching to progress. Enjoy the fast-paced, relentless fighting action as you work hard to survive the landscape filled with enemies. You can also play this as a teamwork challenge of 2 players, with one player playing Movement tanks and other in charge of targets and shots! Strategy to win: Try to combine good 'front foot' attacking play with smart defensive movement. Try not to leave your tank in one position for more than a few seconds - Dodge and weave around the battlefield to confuse your enemies. Use power-ups and special weapons to your advantage. Play this commanding game an army of miniature rifles in this strategy-based trench warfare game with 12 levels to complete! Playable on Android devices as well as on laptops, laptops and desktops, Tiny Rifles is a challenging strategy game that combines tower defense and problem solving when you send waves of small soldiers into the battlefield. Your ultimate goal is to defeat the enemy by advancing your army (by clicking or tapping on each soldier) all the way to the right side of the battlefield to score a dominated victory. Carefully choose weapons/soldiers to send into battle - use your resources wisely and skillfully to reach the upper hand! This HTML5-based strategic warfare simulation game for older children and teenagers should work on Android devices as well as most web browsers for PC/Mac. Essential skills include good decision-making, quick response, strategic planning under pressure, patience, determination and a general's ability in war to see the 'bigger picture' and act quickly and appropriately. Strategic tip: Going 'gung-ho' and sending multiple waves of the same soldier into battle will not have the desired effect. You have to use different types of rifles creatively - and also find the best time to attack with artillery weapons in the air. Enjoy the challenging action! Play this alien intruders game modeled on the classic spaceship shooting game and is one of the best arcade-style alien shooting games the LearnAGood 2019 team has encountered. In this newly refurbished game, you control a space ship and your mission is to protect the Galaxy from alien space invaders. The alien spacecraft will shoot at you back and will continue to get closer to you while moving from side to side faster and faster to have you miss them. If you shoot at alien Mothership (protected by a group of smaller spacecraft), it will drop some valuable weapons that you must collect with your spaceship. Your weapons will be temporarily upgraded by giving you the ability to shoot extremes. Weapon upgrades are not based on time but instead are limited by the number of shots. Once the limit is reached - your usual weapon is activated Play this game Helistorm 2: Regroup is an extremely difficult flying and shooting em-up action game where you have to fly a Black Hawk style helicopter, and protect a convoy of trucks from an enemy plane attack. You play the role of a daring military pilot, and must dodge and weave your way around a chaotic war zone Protect your colleagues from raining heavy artillery down on them. It is best to fight fire with fire, so you must destroy the bad guys before they blow up your truck. You are the guardian angel of the convoy, and must guide them safely back to base to become the hero of the hour! This was an extremely difficult task however, as the sheer number of enemy aircraft could be overwhelming. You also face anti-aircraft turret guns that try to bring your chopper down. You'll need quick reactions and skillful pilot skills to succeed here, as enemies keep popping up from nowhere to attack. Your strategic planning abilities will also come into play, as you must carefully shoot down other helicopters to create a path for your allies to make it home. Are you ready to give it your all, Black-Hawk Hero? Good, it's time to blow up the bad guys! Play this game Do you have the skillful pilot skills needed to handle one of the most advanced fighters ever to grace the sky? The F/A-18 Hornet is a challenging, two-engine supersonic combat simulation game where you have to complete pilot training, and perform difficult missions with the capabilities of an F/A-18 Hornet at your fingertips. Use your computer mouse to guide F/A18 along the path of enemy-led aircraft for as long as you can, dodge and dodge enemy missiles, take out opposition jets, land-based bombs targets, and more! Reasons to play this cool online air combat game: Fighter jet aficionados and war fighter buffs should enjoy realistic action and intensive mission details. This great PC game plays like a stern exercise and tests your focus and observation skills, hand-eye coordination, quick reaction, stamina, determination, perseverance and more. Increase your skills as your graduation from basic training to full fighter pilot extraordinaire! Strategy to win: Practice makes perfect! We recommend that you undergo rigorous training before playing the 'Missions' mode. However, if you think you've automatically got what it takes to jump first on a mission – be our guest! Naturally, you must maintain supreme concentration and 'in the area' at all times while flying the F/A-18 Hornet. A slip, and you may be able to press the push-out button! Play this Game Air Attack 2 is an anti-aircraft artillery shooting game for kids, teenagers and adults with very realistic sound effects where you have to shoot a certain amount of fighters in the sky before they fly off the screen. This high-speed war game requires great hand-eye coordination, super-fast click skills, and a taste for mass destruction! Speed can get deadly demands - but it's worth it. This air defense war game offers hours of addicting fun and entertainment! Ready for some high-flying explosive action? Click and enjoy! Ok Ok attacked. Your mission as a young air defense gunner is to blast as many enemy fighters out of the sky as possible! They're going up on the hill (in endless numbers). You can shoot as many times as you want - whatever it takes to stop this relentless invasion! They come at speed, so you need to be prepared. You need to be fast and ruthless - once you have them in your sight, try to destroy each and every one of these planes, to succeed. Targets, fire - and watch them explode! Play this game blast your opponents with accurate shots in a high octane, mini Tank Battle Royale! Micro Tanks is an exciting, aiming and accurate skill game based on and tactical combat operations. Here, you play against the computer or a best friend/family member in a series of small tank clashes on a limited battlefield, filled with obstacles. Taking on the role of both micro tank driver and gunner, you must try to eliminate your opponent with accurate cannon shots before it's too late! Reasons to play this tank fighting arcade game: This is a straight forward movement, one-on-one and no frills shooting game (No fancy power, weapon upgrades or expanded battlefields here. Just good old arcade fighting action!). Test and perform your quick responses, reflexes and agile keyboard control skills. Find out who is the micro tank boss in your home or class in fun 2 Player mode! Strategy to win: Although the contest is one-on-one with a clear view of the action, there are actually a lot of obstacles and barriers that you can use such as blockading and hiding points from enemy fire. Avoiding a constant 'open' battle is probably the best strategy to implement. Try to use the terrain of limited battlefield and ricocheting action of your rocket to your advantage, and shoot around the corner. Play this game A Ton of Boom is a fast-paced 2D shooting game where you have to help A Ton of Gorilla to take revenge on his nasty kidnappers. Get ready to do some real damage in action-packed side-scrolling games where your mission is to destroy one ton's enemies using a variety of big and powerful guns. The setting of the story is a mischievous military group that once imprisoned One Ton and tried to make him part of their Robot Army. Now that he's escaped, he'll hunt them down! Use two-handed automatic rifles, shotguns, rocket launchers, and phaser guns to eliminate your enemies. You have to take on a my myth of robot opponents including those flying through the air. Send them with your huge arsenal and help Gorilla take revenge on completing his mission. This is a good one, Side-scrolling platformer that will have you hooked from the first level. It's pretty hard too; The Robot Army will not go down without a fight. Think you've got what it takes? Fun as roasting firecrackers! Play this rocket shooting game, base Action with awesome upgrades and firepower! Defending your nuts is a goal and precision based tower defense game where you play the role of a sharp shooting squirrel that must repel a marching army of ghouls interacting to steal your precious nuts! Using precision arrows and rocket rockets, you must take down increasing numbers of baddies on the ground and in the air before they break your defenses and make out with your important goodies needed for the cold winter months! Essential skills: In dynamic and interactive strategies, multi-level and game upgrades, skillful mouse control skills are crucial when you try to attack your enemies correctly. Good angle assessment, a sense of urgency, and sharp decision-making skills are also important because you have to prioritize the bad guys to target - and when. Your rocket firing action requires time, power judgment, and appreciating angles and trajectories. Play this Game Page 2 Free Play online aimed at & game accuracy, quick response based game skills for kids monitoring, youth &amp; Big Kids on LearnAGood.com. Play a quick, fire-skeet shooting game where you blast as many clay pigeons as you can (use a shotgun) in a high stakes contest! Playable on mobile phones, tablets, laptops, laptops and desktops, Skeet Challenge is a very difficult, reaction-based, aiming & game; accurate game where you have to act quickly to shoot fast-moving targets (orange clay pigeons) before they zoom out of the playing area. Essential skills: This skeet range sim game requires really sharp reflexes, excellent hand-eye coordination skills and super fast decision-making. Determining finger extraction/keyboard control skills is essential! Every clay pigeon you miss is likely hundreds of points passing through you! So go all out hotshot, and smash the points record! Play this Game Archer Master 3D Castle Defense Welcome to Archer Master 3D Castle Defense! Defend your castle from wave after wave of enemy attacks with your expert archery skills! Learn how to use your bow on the training field by hitting training targets to prepare for hordes of enemies that will attack your fortress; Scouts, assassins, knights, witches, witches and even dragons will try to defeat you! There are many cool missions to play too, the enemies will not allow you to relax. Whether it's winter or summer, whether it's rain or sunshine, you have to be ready to repel attacks. Your task is simple. Defend your castle at all costs! Fire your way through missions and try and complete them all, which Defeated! The top tip is to aim your photos, and the farther away your photos are, the more embed arrows will be to keep this in mind when aiming! You will need good peripheral vision to keep an eye on all sides of your castle, and use your determination to ensure that you continue fighting for as long as possible! You must be firmly aware of what is happening around your character, to best stand a chance of surviving the attack. Play this game Shipping goods and weapons by sea is one of the most dangerous professions during the war in the past. Are you prepared and brave enough to be thrown right into the thick of the high pressure environment? In Warfare Transporter, you play the role of a cargo steamer captain during World War I, and you must survive top-to-bottom bombings in this high-octane sea survival challenge. Fortunately, your ship is equipped for many shooting actions, and you have enough ammunition to help defend yourself and complete your mission. Score points by destroying the bombers on your ship, and the submariners below, while never forgetting that making it to the destination port is your ultimate goal. Quick mouse movement reactions and expert time are essential skills in this sea battle simulation game. With enemies approaching from all angles, you need to be on top of your game in both attack (shoot missiles) and defense (dodge bombs coming and torpedoes). Can your ship survive long enough to provide the necessary supplies for your desperate allies on the mainland? Your country needs you, the world needs you - it's time to rise to this great admiral challenge. Good luck! Play this game Get ready for a future shoot-em-up action adventure! Hoverbot Arena 2 is a challenging online shooting game where you control a high-tech Hoverbot (a floating robot equipped with teeth), and must eliminate a variety of other robot enemies of different shapes. Take on different challenges where you have to survive as long as possible – or simply blast everything in sight! Each level takes place in a large closed arena, - there is nowhere to run - so you have to fight with fire! Blast through your enemies as they close in around you, and collect the scrap metal they leave behind. Keep upgrading your Hoverbot to transform it from a humble shooter into a great space shooter! Your quick reaction is the key to success here, as you must dodge and weave your way around the arena, avoiding impact with enemy robots. Watch out for rockets that are fired by daring little androids, too. You will also need a sharp eye, as you must be extremely accurate with your photos. Ok Robot renegade, it's time to lock and load! Good luck. Play this Aquatory game: Threat from worms playing an atmospheric, underwater tower defense strategy game: Aquatory: Threat from the worm is a challenge, aiming, accuracy and time-based battle simulation game Sea where you have to drop bombs, torpedoes and missiles on enemy submarines to stop them from coming to your base. As the captain of the last remaining defensive battleship in the fleet, you have a glimpse of the chances of enemy ships advancing and have to time your attack to perfection. Point mouse control and skillful clicks are key to your success in operating this marine tower defense skills and tough shooting skills. Good combat strategy and positioning play a big role here! You must quickly figure out the best weapons to use in each situation, and what upgrades are best to buy. We need a navel commander with coldness, a sense of urgency and nous tactics to stop the enemy. Are you that person? Play this game Arrow Of Time is a tower defense-style arrow shooting game where you play the role of Peep, the last remaining Whistle Knight, and the only defense of the priceless Arrow of the time. Stationed atop an impressive Sky Fortress, you must bravely repel the wave after the wave of attacks by accurately firing multiple arrows at the on-coming hordes. The brave little knight has vowed to defend the Fortress as long as it needs to, and that means you face rapidly growing enemy forces over time (including winged beasts, soldiers in hot air balloons, improved missile search aircraft, and more). Fortunately, your own deadly arrow arsenal can also be developed and upgraded, meaning you and the conquerors will be well matched throughout this historic adventure! Unleash your inner Robin Hood as you hone the accuracy of shooting your arrows in this action-packed, click capture challenge. A very steady hand is the key to success here as you try to take down the menic masses of air enemies. Courage under pressure is always an important attribute as you can face down a seemingly overwhelming amount of opponents approaching from all angles. If you panic under this burden, Arrow Of Time will surely be lost forever. You simply can't let that happen! It's time to take on your enemies with the bravery and perseverance of a lion. This last knight stand will not go down without a hell of a fight! Playing this game Bunny Vs Beetles is a fun, shooting game for kids and teenagers in the style of the popular tower defense game. Bunny has collected for himself a feast of fruits and vegetables (including carrots - his favorite). In this strategy-based game, you must protect Bunny's party from an army of pesky beetle invaders moving along a path towards Bunny's food. Different colored beetles are hungry, and they mean business! Bunny used his giant beetle blaster to shoot and remove more beetles of the same color in the snake-shaped line of insects as they marched towards the mountains of his food. Beetles are red, blue or green. If he receives at least three beetles of the same color in a row, they explode, and he gets closer to the goal of getting rid of all small creatures in each level. Play this game Red Riot is an all-action, flying jetpack and shooting arcade game where you have to complete missions by destroying air defense tanks, no, mini-spaceships, buildings, fuel stocks and more. You play the role of Red Riot - a superhero who flies around on a rocket-powered jetpack and must get rid of everything on his way! Use a variety of powerful guns and explosives to blast your way through each mission. Earn virtual credits that can be used to upgrade your arsenal and increase your health bar at the end of each level. Beware of the bad guys; They shoot dangerous missiles at you so you will need to have fingers fast to avoid them. This addicting side move game will test your reaction skills as you fly through the air at great speed. Try and cause mayhem and destruction as much as possible! Are you ready to start the task? Happy blasting! Playing this tank protection game is a fun, full of online action games, similar in tactics to Bloons Tower Defense games for kids &amp; teenagers where you have to protect your tank from attacks like rocket launchers, soldiers fired from rifles and snowball grenades! Playable on mobile phones, tablets, laptops, laptops and desktops, you play the role of a determined rocket-firing soldier tasked with protecting tanks at all costs. From time to time new soldiers become available to you to protect tanks - choose them from 3 squares at the bottom and drop on tanks. As soon as a new one becomes available - drop it on the tank too, the more soldiers you've sat on the tank - the better protection you have on your Soldiers Rotating tank to inflict maximum damage on enemies and repair your tank with mechanical soldiers. Collect coins to upgrade your tank after each battle and unlock special soldier classes. This shooter action game should work on iOS and Android devices as well as most web browsers for PC/Mac. Essential skills include focus, good analytical thinking and problem solving skills, smart decision-making, timing, predictive skills, determination and appreciating the cooperative effect of angles, trajectories and shooting power. Play this game protecting your base. Do everything in your power from the top of your tower to make sure that enemies unsuccessfully scale walls! Đó là công việc và trách nhiệm của The Towerman! Towerman is a simple, tower defense-style survival game where you have to launch rocks off the top of your castle tower, and skillfully knock off the determined enemy warriors constantly climbing to the top. With 1 or 2 player options, you can choose to stand alone against invaders or enlist the help of a trusted comrade (a good friend, classmate or family member). Reasons to play skill games based on goals and accuracy This: While many tower defense games require deep thinking and constantly changing strategies, this game has a simple concept: 'Survive by throwing stones and hitting enemies.' Test your level of focus and reflexes as you engage in a fierce battle with Hordes of enemy climbers. Strategy to win: Survival depends on your reaction skills, keyboard control, observation skills, focus, accuracy and determination. You have to be constantly on the move; There is no time to rest as you constantly launch rocks to keep the invading forces at bay. Good teamwork - If playing against a defensive partner, communicate with each other to identify key threats and areas that require urgent attention. This missile attack game is a fast-paced, aiming and shooting tower-based defense game set on the moon! Here, you must launch rockets quickly and efficiently into space to destroy dozens of comets/asteroids to threaten to destroy your space bases. Choose to defend just one base at a time, or test yourself with the more difficult 3 base mode! Showcase your precision rocket firing talent, and survive as long as possible! Necessary skills/strategies: As the head of Anti-Asteroid Firepower, you must combine sharp focus skills with quick reflexes as you try to destroy as many falling asteroids as possible. A good strategy (especially when you are under pressure) is to ignore asteroids that do not threaten your base. Focus on those who are towards your base, and take them out as priority targets! Play this attack Turkey game is a fast-paced shooting game that doesn't give you any breaks between levels. Instead, as you get to a higher level, the game speed and intensity increase. Turkey went crazy and attacked you relentlessly. They took over the village of Plymouth Rock. Protect yourself by shooting all the crazy birds and turning them into roast dinners. Some turkeys have armor on them and need to be shot twice. Some of them attack by coming from behind the house. Be vigilant! Some smart turkeys are even trying to play tricks with you by waving white flags and running around. Do not be fooled - all turkeys are from the same cunning camp. They're all playing with you! You can go to dinner only if you pass all the levels. Don't shoot just anywhere - every wasted shot can hit trees, a fence or even a house. You can destroy your village and become homeless if you are simply shooting blindly. Play this hedgehog game is an interesting physics-based arrow shooter game where you have to use carefully placed magnets, and fascinating laws to shoot arrows toward seemingly inescarable targets (apples). To really make your name as an online sharpshooter, you must become proficient in archery – the noble, middle-aged form of bow and arrow shooting famous by the legendary Robin Hood! You play the role of a hedgehog Foresode, shoot arrows, and have to pit your intelligence against 4 distinct and difficult game modes. This online arrow shot operation straight forward but surprisingly requires a steady hand, logical thinking ability, plenty of patience and and old trials and errors. An understanding of the field and response is not necessary (there is a dotted yellow flight path to support you), but there are some levels that some appreciate of attractive laws can come in handy (basically, what comes up almost always comes down). Quick response and sharp keyboard tapping are also important as you may have to shoot arrows in quick succession at certain levels. Unleash your inner Robin Hood as you compete to become the most successful crafts player in the business! Play this alien guardian game - In this fun shooting game for kids, you have to protect your homeland from alien invaders and stop them from blowing you up. You must stay alive as long as possible by avoiding bombs made by aliens or people flying over your head. While constant combat attacking aliens is the most important task to stay alive, collecting money and health bonuses is crucial too. Shoot down less angry aliens (100 points each) before they reach you. You can escape their explosive bombs by jumping up as they approach you. It is probably best to duck down to avoid these giant rockets flying right over you. They are really hard to shoot down but if you manage this, you can earn an extra 250 points. Grab the flying items made by balloons by jumping up once they are right on you. Each pocket of money that you collect will earn you 25 points and each health box will restore

your health. Control/ Guide: Aim the gun with your mouse and shoot by clicking the left mouse button. Up arrow keys - to jump. Down the arrow key - Duck. If this Flash-based game no longer works on the IE11 or Chrome browser on your PC/MAC, try playing firefox with adobe flash player installed. Play this game to help a lucky penguin to defend his cabin home by blasting attacking snowman zombies with a super charged electric snowball gun! Penguin Vs Snowman is a straight forward, tower based defense game that is playable on mobile phones, tablets, laptops, laptops, and desktops. You play the role of a brave and determined penguin who must defend his home by blasting the charging snowman with accurate snowball shots! Complete 20 increasingly difficult levels by removing all snowman (Each snowman arrives at your penguin's precious home causing damage to the structure). This online, HTML5-based, multi-level shooter game should work on iOS and Android devices as well as most web browsers for PC/Mac. Essential skills include aiming & accuracy (finger touch or click), Be alert, react quickly and make good decision-making skills as you upgrade your weapons in between levels. Control tip: Prevent your weapons from overheating - by repeatedly clicking or touching instead of holding your mouse or finger. Play this game play a fun and frantic, rocket-based skill shooting game with a sumo sumo Rules to Win - You must knock your opponent out of the ring to emerge winning! N3wt0n is an addicting, arcade-style shooter, aimed and accurate puzzle game where you have to mano manoly your character (a white mini tank) through 25 gradually difficult, action-packed rocket battles. Basics: The basis of this game is based on 'Newton's 3rd Law' - from legendary physical 2012 Sir Isaac Newton: For every action, there is an equal reaction and vice versa. This rule governs the rules of this game - every time you hit an opponent with a missile, the opponent is knocked down, depending on the force of your shot. This hard-to-master game combines excellent hand-eye coordination, skillful keyboard skills, steady point-and-click mouse controls and a cool head under pressure, especially when you try to eliminate multiple opponents at once while dodging and weaving around the limited battle arena. Let the fighting action begin! Playing this ALIAS 2 game is an exciting platform shooting game for teenagers where you have to make your way through a variety of future levels, blasting away the malfunctioning robot defense system of a military base. You play the role of A.L.I.A.S. (Human Lifeform for Assassination and Sabotage), a defensive robot programmed to take on an army of human invaders. Unfortunately for the robots, their machines are malfunctioning and completely out of control, so ALIAS has destroyed these robots instead! Guide the small robot to trigger happiness through a series of increasingly difficult platform levels where he has to run, jump, climb, and shoot to survive. This retro-style platform game will really test your quick reaction, as there are a variety of robot opponents to avoid and destroy. Your strategic planning abilities will also be tested, as there are bombs laid out and bridges are carefully destroyed. Are you ready to unfold the firepower of a real robot traitor? Well, it's time to lock and load! Play this knock down all the soda cans with balls and earn all 3 stars if you manage to complete each level perfectly. This fun and addictive game has many levels for you to complete, each level is harder than before. This skill-based and precision game is playable on iOS, Android, laptop and desktop, Soda Can Knockout is a physics-based targeting game where you'll have to skillfully throw balls in certain positions that will cause when most cans fall off using the least number of balls. After the first few levels, you will have to consider heavier concentrations as they require more force to fall off. Using baseball, you have to type on all the cans that you can see, you only have a limited number of Balls so don't waste them! This HTML5 physics-based shooting game will work on iOS and Android devices, as well as most web browsers for PC/Mac, Mac, Laptop. An understanding of basic goals, angles and ball trajectories is important here to type on all the cans. Play this game Protect your base from advancing zombies in this challenging, tower-style defense, photo-shooting game for one or two players: Zomboids Challenge 2 is an 8-bit, aim-based and precision-based game skill for older kids , nostalgic teenagers and adults where you have to eliminate constant waves of zombies as they approach the center of the game screen . Blast and remove the advancing ghouls, reload your weapons quickly, and survive as long as possible! Play as two players with a best friend or family member that reduces difficult tasks as then you can focus exclusively on your own side of the screen. Essential skills: This survival-based, high-octane arcade game focuses on concentration, coordination, determination, and the ability to keep cool under pressure. Quick reaction skills are important as you try to take out zombie baddies before they get too close. Sharp predictive skills are also key especially if you are playing solo and controlling both defenders at the same time. Play this game how many alien spaceships can you destroy with just 10 bullets? In this simple time-based online shooting game, you must eliminate as many enemy spaceships as possible. (Please note: This game contains a lot of graphics flashing due to explosive bullets.) No time limit, no power, no reload - as the title suggests, you only have 10 rounds! That doesn't mean you can only destroy ten ships - because each ship you remove sets off a chain reaction that blows up all the other ships around it. Just one of your bullets can destroy dozens and dozens of pesky alien spaceships! You have to choose your moment wisely - if you shoot when there are only a few ships around, you can only destroy one or two of them. But if you shoot when there's a whole bunch of them above you, sit back and get ready for the fireworks! Every time you destroy a ship, two rockets explode out of it. If the missiles destroy another ship - there are 3 missiles released. The next ship eliminated release 4, and so until up to 20 rockets flew around, destroying all enemy spacecraft in sight. Set the chain reaction away, and all you have to do is watch the destruction take place in front of you! How many spacecraft do you think you can escape with your ten bullets? Let's go write it down! Play this Aqua Turret game is an action packed, aim-based and precision-based, shooting and survival game! You control a large turret gun, spinning in the center of the ocean, and against the wave after the wave of attacks from enemy ships. Sometimes you can call for help from your air force friends, but for the most part, you are on your own in a high pressure battle for survival in the open sea! Open! To play this challenging turret defense game: Perform quick reactions, observation skills, combat readiness and durability as you quickly rotate your turret gun around - eliminating as many enemy ships as possible. Strategy to win: As the captain of a ship that is constantly under attack, you need to keep a cool head all the time. Use your good strategy and desire to win with fast-firing missiles and well placed torpedo launchers as you skillfully try to keep your opponent's growing fleet at bay! Calmly choose your moments to attack enemy ships with precise artillery explosions. Good keyboard and mouse controls are essential if you want to survive deep into this challenge! Playing this ruthless panda game is a high octane, Aim and accuracy based on shooting games and survival challenges where you play the role of a space-liberating pirate who must guide a large panda piloting the plane through an alien-filled bear, moving side of the battlefield, defeating enemy troops and boss characters while collecting stolen gems. Using precision rocket line drawing techniques and continuous upgrades to your flying boat, you must save Panda Planet from the complete destruction of the Evil Brown Bear Invasion Force! Reasons to play this quirky skill-based action game: Perform your quick reactions, dogged determination and tactical nous as you battle your way through hordes of invading bears, shooting down as many as you can with each rocket-firing attempt. Prove your worth as an alien captain-defense overall as you upgrade your aircraft with edgy purchases and amazing new gadgets as you progress through battle! Best strategy to win: Improving and perfecting your missile accuracy is the absolute key to victory. Unlike most virtual shooting activities in which you have a handy target marker; Here, you must actually draw the intended flight path/trajectory of your rocket using your mouse or touchpad. This becomes easier as you progress, adding bigger and better weapons to your aircraft's destruction arsenal! Patience is also essential. Play this game
