The transport ring system is unlocked after starting the Baby II - Healing a kidney demand and permission from the Fairy Godfather. It consists of 45 teleortation rings scattered around the world and provides a relatively fast means of accessing frequent remote sites in RuneScape, as well as providing easy access to other real estate. Players can access the iron ring system that just comes out of any ring just while drinking either a drank staff or lunar staff. From there, using three letter codes, they can be uploaded to most rings in the system. Whether the Lumbridge & The Draynor Diary completely completed, with no staff of either type needed. Several rings, however, require players to complete requests before they can be accessed. If the chosen code no corresponding ring or is a nice ring the player is already located in, the players won't be teleported anywhere, exclaiming Wow, just magical sure is helpful, I hardly move at all! Players with 85 levels of construction can build a beautiful ring in their upper fields. The animation when using rings is done. Note that Fairy Soon 1 – Growing Pains must complete access to the rings done. Fairytale II - Healing a kidney does not need to be filled, and players do not need any of the skill requirements. When using rings to make, a trip log will pop up. This is a list of rings where you've recently traveled. This is useful, as you can just click on the ring code in the trip log and the code will be automatically
