(December 2019) (Learn how and when to delete this sample message) Tumwater High School offers sports teams for cross-country skiing, golf, football, football, dancing, swimming and diving, tennis, volleyball, basketball, bowling, wrestling, baseball, fastpitch, and track and field. Tumwater also offers a club rifle team that currently has two national championships. The city has supported athletics at Tumwater High School and the newly formed Black Hills High School. The school's teams are known as T-Birds and have experienced success at league, district and state level for all their teams since the beginning of school. [citation required] Tumwater is best known for his football program. Most of the success can be credited to long-time head football coach Sid Otton, who coached from 1973 to 2016. In the 2005 season, Otton broke washington state's winning record of 273 wins. [2] During Otton's term, Tumwater won five state championships, finished nationally four times and made the state playoffs more than 23 times. The last state championship won under Coach Otton was on December 4, 2010 against Archbishop Murphy High School in the 2A State Championship of Football with a score of 34-14. Otton set a career record of 394 to 131 in 49 seasons and retired after the 2016 season after 43 years at Tumwater. He retired as a high school football coach who won all his time in Washington state history. He was inducted into the Washington State Football Coaches Association Hall of Fame in 1996[3] For the 2017 season, former Otton player Bill Beattie (78) became head coach and has continued the Tumwater Winning Football tradition. T-birds won the 6th. state football title with a 48-34 victory over Steilacoom High School on December 7, 2019. [4] [5] Tumwater has also excelled on the basketball court with both boys (third year in a row, school record) and girls' basketball teams (second consecutive year) together in back-to-back years for the first time in school history. [citation required] Tumwater's volleyball program has also been a great success over the years, including winning the state championship in 2008 and 2014. Many of the former Tumwater Volleyball players have left to play at a collegiate level. They attend colleges such as Gonzaga University, Northwestern University, Eastern Oregon University, Western Oregon University and many other schools.
