Previous article Another Article Light Warrior Manual is a very easy but inspiring read, I read it in a few hours. Basically, like all Coelho books, it's a spiritual manual that could be read as a leadership course or an inspiring manual to live life in the most authentic way possible. Below I share some of the phrases of wisdom that I have gathered from this wonderful little book full of wisdom. Book Phrases: The Guide of the Warrior of Light Warrior of Light shares with others what he knows about the journey. Whoever helps is always helped and needs to learn what he has learned. - Share to achieve your dream warrior light needs a solid coincidence and a huge capacity for dedication. Even if it has a goal, the way to do it is not always one to imagine. The warrior of light knows that the act of forgiveness does not force him to accept everything; can not put his head down, because he loses sight of the horizon of his own dreams. A warrior of light rarely talks about his plans. He knows that every time he talks about a dream, he uses a little energy of that dream to express himself. So much talk, risk spending all the energy you need to act. And the warrior of light knows the power of words. It is not impossible for a warrior of light to love. He is not intimidated by silence, indifference or rejection. He knows that behind the ice mask people wear is the heart of fire. The warrior of light will not be left to worry when he is looking for what he needs. Without love, he's nothing. The warrior of light knows that the battles he fought in the past have always left him some learning. More than once he wasted his time fighting for a lie and suffered for people who did not come to his love. Winners don't repeat the same mistake. That's why a fighter risks his heart just for something worth while. Those who are judged full of virtues are paralyzed. But whoever judges full of guilt also becomes paralyzed. Unuzred Sometimes a warrior of light thinks: Whatever I don't do, it doesn't do. This is not the case: it must act, but it must also let the universe act at the right time. A man who preserves his friends is never dominated by the storms of existence; has the strength to cope with difficulties and get ahead. The warrior knows that he is free to choose; he makes his decisions with courage, separation and sometimes with a certain amount of madness. In truth, every problem after solving seems very simple. The big victory - which seems easy today - was the result of a series of small victories that were unnoticed. The warrior knows that the end never salts the means. Because there is no end; there are only means. thinks that just about the goal, will not be able to pay attention to the signs of the road. If you focus on just one question, you will lose a few answers that are on your side. That's why the warrior gives up. The warrior of light meditates. Even if it's not him, it's a reflection of the soul of the world. These moments allow you to understand your responsibility and act on it. The warrior of light knows that in the silence of his heart there is a command that leads him. Every light fighter was afraid before entering the fight. Every warrior of light betrayed and lied in the past. Every warrior of light has failed in his spiritual duties. Every warrior of light said yes when he wanted to refuse. Every warrior of light hurt someone he loved. That is why he is a warrior of light; Because you went through all this and didn't give up hope of being better than him. An experienced fighter tolerates insults: he knows the power of a fist, the skill of his punches. He looks at his opponent and beats him without bring the fight to the physical plane. Like a warrior, a warrior of light knows his immense power; he never fights with those who do not deserve the honor of fighting. The warrior knows that perseverance has nothing to do with insistence. There are times when the fighting goes beyond what is needed, exhausting his strength and weakening his enthusiasm. He then retreats from the battlefield and gives himself a ceasefire. The warrior of light needs patience and speed at the same time. The two biggest mistakes of the strategy are: act before an hour or let the opportunity pass. To avoid this, the warrior treats each situation as if it were unique and does not apply the formulas, recipes or opinions of others. Inadvertently, the warrior of light took a false step and sank into the abyss. Since he was looking for a Good Fight, he never thought it could happen to him. Wrapped in darkness, he communicates with his master. Master, I fell into the abyss, he says. The waters are deep and dark. Remember, the teacher answers what drowns someone, not in the fall, but the fact that they remain underwater. And the warrior is using his power to get out of the situation he's in. The warrior of light knows that his victory, his defeats, his enthusiasm and his disgust are part of a good fight. The warrior does not try to be cohesive, he learns to live with his contradictions. The warrior of light believes. And because he believes in miracles, miracles begin to happen. Because you are sure that your thinking can change your life, your life is starting to change. Because he's sure he'll find love: that love will show up. The warrior of light is able to understand the miracle of life, fight to the end for what he believes, and at that moment hear the bells that the sea rings in his Previous article Next article To find more books about downloading Light Warrior pdf, you can use related keywords: Elf Warrior Pdf Download, Download Pacific Warrior Pdf, Download Elf Warrior, Download Industrial Communications Warrior, The Warrior Way Dan Millman Download, Download Free Road Warrior Pdf, Book The Pacific Warrior From Dan Millman Download, Download Book The Pacific Warrior Dan Millman , Journey of the Pacific Warrior Download Bgratis, Book Pacific Warrior By Dan Millman Download Although we are able to contemplate without fear interplanetary paths and clones of living beings, we may miss, instead, enough courage to dive into the most intimate of our being in search of old dreams and forgotten longings. Structure of work: The book is divided into four parts in addition to the prologue and epilogue. It aims to be a guide for every warrior of light to discover his journey based on everything reflected in human behavior. Story: The book's prologue is a fantastic little story about a child who discovers his status as a warrior of light over a mysterious woman. A few years later, already a man, he returned to the village and to the beach of his childhood. It was not intended to save any treasure from the seabed; perhaps all that was the fruit of his imagination, and he had never heard the bells submerged on the lost afternoon of his childhood. Still, he decided to walk a little to hear the wind noise and the singing of seagulls. What would be his surprise to see sitting in the sand, the woman who told her about the island with her temple. What are you doing here? He asked. Wait for you, she replied. He noticed that although many years had passed, the woman retained the same appearance: the veil hid hair did not seem faded over time. She offered him a blue notebook with blank letters. He writes: 'The warrior of light pays attention to children's eyes. Because they know how to see a world without bitterness. When he wants to know if the person next to him is trustworthy, try to see him as a child by. What is a warrior of light? He asked, she said with a smile. He is the one who is able to understand the miracle of life, fight to the end for something he believes in, and then hear the bells that the sea rings on his bed. You never believed the warriors of light. The woman seemed to guess her thinking. Everyone's capable of that. And no one is considered a warrior of light, even if they all are. He looked at the pages of the notebook. The woman smiled again. Write about the warrior, he told her.
