You still didn't keep your own time you replaced me, but who can I blame? Rained on my own parade I know you were down for my baby joy P. - Letter to Letters to My Ex by Pleasure P.: I still can't believe you're gone and you and I still have your number on my phone hoping it rings, maybe it's dream discovery 2 lyrics. Oh, they might not like me for this one F\*ck, I got my pen and pad anyway Mr Hood dear Mrs. Independent Hawes Lookin, like my whole life, for you to meet in the centerfold, every woman's inner goal Niga, his money a long letter to my ass, X O's Ahem, okay, let's talk about the gold digger who met her in the video shoot, well, she was worse than Motaf Ricker, saw her number saw her wit, to make a couple days of short dawn of long stories I'm asleep, I'm not a scout now we fell in love, but She loves to watch nigaballS I could remember, so I got her tolippin I got me out of town because she moved out of town, not around her she found a picture of her trying to play niga around her. Oh, I was too visible to see it early and I knew this was kinda fish like an old tuna took her clothes and threw it into an old sewer, you really should have seen her face, oh, she officially pulled up to my, she pulled up to some shock, to ashes to my common sense, hey, here's my original you 'ain' It's a letter to nothin', but it was only when the cash weighed, yes, you tried to play me like a in a band, but I'm so glad you loved the past shape you loved because you're kinda average ah, her ass of a cat, oh dear Mrs. Independent Horse is still looking like my whole life, Swagger, where you can meet the centerfold, every woman's inner goal Niga, meet his long of money, and if you don't have it, I'm talking like a Louis bag houseNew Cologne I swear my last was a honeycomb-like bee, I thought we really had the last long, we were really the worst to put the last money on, at first it was a fairy tale I was talking about, it was a fairy tale I believed in and made to believe in love, but it was cool until I started shopping things, now she started wanting wedding rings I could never be there because she could see the green wanted kids, let her tell me we were like the perfect team, had to cut it, she was broke triin to put me in a blast like a lodger on the bill, I called her mom and her Did you throw out her dawn? She filed a restraining order because she was angry, so she just came and came to get her bag in the trash and the oath that the cops let me leave, I end up going back to my mom oh, now she's prego on the set of twins pause, oh, friends I really think the story doesn't end now she's a memory from 1930, I know she's missing that fifth big fuss, and they highlighted at the end of plane travel and almost my original list what is the love to me? Depending on the price tag love to buy different gifts from each other. Is it love? I mean I'm just looking for someone real and I really feel like f\*ck love, maybe the relationship isn't for me because they don't care about me anyway, I'm this oh hey here's my original letter. Yes, you tried to play me like a in a band, but I'm so glad you're a little average ah, her ego bigger than her ass is a guy, a past tense I loved you with passion.
