After GlobeX defeat and clone signals the troops shut down, the Scientists, who were originally allied to the military took over the GlobeX company and reprograms veterans from the Strike Force Heroes: Jyn, Dex, Nathan and the tower that was taken during the final battle of SFH 2, so they work for them. It somehow turned the signal that walked with the clone again and created the army of the clone that took over the world, promising its men that the world is burning and only striking the Heroes of Force will be to blame. Back at the SFH base in South America, Wesley, the only hero who was not captured by GlobeX, gets a warning of another clone attack, led by his former squadma. He then became the unit commander, replacing General West who had died in previous operations. He must recruit the new sponge to fight and save the world from the apocalypse of heaven. He then recruited Sanchez, the Gunslinger, and he continues to recruit until the SFH hosts grow enough to defeat their clone. clone.
