FREE UK & IOM DELIVERY SAVINGS OVER £40 PURCHASED 3x10Kg SAVE £5 NO LATE CURRENT Akela WholePrey believes that all dogs deserve nutrition. Over millions of years, cancer species have evolved into hunting and eating butter. With keen teeth, high-frequency audiences and a short digestive path, modern dogs share about 98% of their DNA with animal ancestors. We have tailored our recipes to feed your packet. We offer composite recipes in freezer before all editing, dry kibb, cold-pressing, wet tinned flavors and healthy natural treats. All 100% grain free, ipoallergenic and proudly made in Britain. Our ingredients we only use the finest ingredients, sucking as locally and durable as possible. Social animals are important to us to only use meat in the source of cage-free. The result is a more nutritious and natural product that we are proud to provide. Eating Guide It is important that you feed your dog, cat and ferrets the right amount. Our Food Calculators help you calculate the appropriate amount so that your fourry friends can achieve and maintain major conditions. Frequently asked questions include a wealth of information and tips via most topics. If you can't find the answer you are looking for then we are happy to help you.. Stockists The Stockists page Locator shows you your closest details to your Akela. We always recommend calling them before you travel to avoid disappointment. Alternatively you can always order directly from us online with next day delivery options available. Canine Feline Acquaint 80:20 Food Chain - Dry proudly designed in Britain with British ingredients found more acute 70:30 Make Food - Wet available in six flavours that completely get more acquainted Cat Food originally 90:10 suitable for allbreeds of cats from old age to Find more Akela 85:15Raw Dog Food proudly made in Britain and English People get more my young lurcher – already on a none free pill – developing severe diarrhea for no apparent reason; all the tests were proven negative. I decided to try every nice, and the problem solved itself almost immediately. My dog enjoys eating it too. Great high quality product that my puppy loves. We use both wet and processed dry food and we have a very healthy, happy and active pipup. It used to have a tender stomach, but not since switching to Akela. It's a great quality product that I'm happy to eat by wasting crazy babies. I love eating my belgium Malinois / Husky Akela dog food because if ingredients are amazing. He looks great and is very healthy. My son introduced me to him as he eats his beautiful Belgium Malinois the same. I highly recommend. My English awful game really enjoyed Akela wet and dry food. Good choice of flavor available and great know that it's high quality too. Will definitely continue to order at hand.
