Can I add online courses to my resume? Listing online classes on your RESUME is undeniable to do so. Just make sure you do it thoughtfully, so you send the right message about your continuing education. After all, you've worked hard to complete all these courses in your free time, you owe it to yourself to make sure they count. Do online classes have tests? Not all online classes are proctored exams. But if they do, online students may need to visit a local test site, with a spot proctor. They can also take close-ups of track exams online, where proctor watches through the camera or where computer software detects fraud by checking test takers screens Are scholarships available? Scholarships are offered by various organizations, businesses, civic organizations and even small businesses. Some scholarships require students to meet specific criteria, such as a specific grade point average or extracurricular interest. Applications for scholarships should be submitted well before the school enrollment deadline, so that students better understand how much of an award, if any, they will receive. What are the disadvantages of an online school? 1. Online courses require more time than university classes.---2. Online courses require good time management skills.---3. Online courses require you to be an active learner.---4. Online courses give you more freedom, perhaps, more than you can work on.---5. Online courses require you to be responsible for your learning.
