National School Psychology Week is taking place Nov. Mehr 9-13. In LEANDER ISD, we have over 45 LSSP working in various roles throughout the Special Programs department. As a member of the school staff, LSSP supports students' ability to learn and the ability of teachers to teach. Their expertise in mental health, learning, and behavior helps children and adolescents succeed academically, socially, behaviorally, and emotionally. LSSP's work includes direct support to students, including individual learning and behavioral assessments to identify... School trustee Mehr Leander last week was very nearly set up on a shoal of Covid-19 uncertainty and concerns over structural problems with the budget before passing the total spend of half a billion dollars... more Richard Stone | Editor at Large | 7/1/20 In Leander's ISD, we unequivocally condemn racism, discrimination, and exclusion of all kinds, said Leander Independent School District Superintendent Dr. Bruce Gearing during the school district's Let's Learn with Bruce and Friends video series on June 3. april S. Kelley, HCN Community Reporter | 6/5/20 Leander Independent School District announces hiring of new Chief Technology Officer at meeting Starting July 6, Jason Miller will lead the Department of Technology Services as well as the district's vision for technology and innovation. more Staff Reports | 5/28/20 After fierce debate last week, leander's Independent School District Board of Supervisors voted 4-3 in favor of a one-time 2% lump sum payment compensation plan that will be spread by Fall 2020. Council Vice President Aaron Johnson and Trustees Grace Barber-Jordan and Elexis Grimes voted against the proposed plan. april S. Kelley, HCN Community Reporter | The 5/26/20 Leander Independent School District Board of Supervisors approved the triple bell schedule as presented at Thursday's meeting, following a lengthy adjustment and input process from the Trustees, staff and the community. april S. Kelley, HCN Community Reporter | 22/5/20 Students and families of ISD Leander will be able to pick up the remaining materials at the campuses or delivery items May 18-22. However, one thing that will not be taken down during this date is the device currently inspected by ISD Leander students, including elementary school students. Instead, students will store their devices and take them to their campus once on-campus instruction continues for the 2020-21 school year. april S. Kelley, HCN Community Reporter | 5/13/20 The Leander Independent School District held a School Nurse Appreciation Station on the morning of May 6 at Vista Ridge High School in honor of National School Nurses Day. april S. Kelley, HCN Community Reporter | 5/13/20 On Monday, the Leander Independent School District donated 49 iPads to Dell Seton Medical Center in Austin to help doctors and nurses treat patients during the coronavirus pandemic. april S. Kelley, HCN Community Reporter | 5/6/20 While some high schools have sold yard signs for their Class of 2020, Leander High School staff delivered page signs to each Leander High School for free on Friday. april S. Next Comments / 0 Related Next Covid Update: July 29 2020 LISD will start the school year August 13 - Sept 7 with all students studying at home in 100% Virtual Empowered Learning program We will continue to provide essential services to students, in a safe environment. Services include, but are not limited to: school year meals and distribution of food service technology and testing support required for student services and special programs and for fine arts placement and additional student certification programs ranging from school year procedures Our technology team has identified individual households for connectivity issues for WiFi. We strive to find solutions to connect each student with quality internet access, either through hot spots or home internet. We strive to ensure students and staff are in a sanctified environment, provide access to hand washing, and ensure social distance as far as Campus and district support began to elaborate on the following: Social distance during mealtime and adequate protective equipment used by cafeteria staff. Guidelines for wearing face coverings, according to age and settings, to protect the health of yourself and others. Surface sanitation in the classroom and throughout the building throughout the day, including the utilization of cdc cleaning protocols every night after dismissal. Hand washing procedures and student hand washing are used throughout the day.
