I played this game on xgenstudios.com and it's somewhere on the cover there. The main goal is to get all the 4D objects and give them to the professor and then he will give you a key to the laboratory. But it will all be explained later. There is no special name for your stick guy like the first game. But statistics don't matter a lot. I would recommend to have charm as your highest stat because it's the hardest to get. What to opt for your special ability thing depends on how you are going to play the game. But whatever you do doesn't choose socially awkward interpretation unless you want to make things much harder for yourself. You probably just want to walk around (keep shift to run/skateboard/hoverboard) and try to remember where things have been since the whole layout is a very different then the first game. You start getting a job at McSticks and I think every 5 shifts you work there, you can ask for a promotion. On the street 2 there is the University where you can study or have a class or work out in the gym. You will need the power and or intelligence for different jobs. There are other ways for karma stuff, but I can't think of them from the top of my head. Here are the weapons in the game and how to get them.- Old Baseball Bat: Steel and Hawks-Major League Bat: Gun Dealer Street 2-Hall of Fame Bat: Max Drug Dealer Profession-Ornamental Katana Sword : Steel and Falcons-Carbon Steel Katana: Gun Dealer Street 2-The Masamune: Max Xgen Profession-Sledge hammer: *-Pistol : Steel and Falcons-Glock pistol: Gun Dealer Street 2-ankle Barrel Shotgun: Gun Dealer Street 2-Double Barrel Shotgun: Max Cop Profession-Machine Gun: Gun Dealer Street 2-Double Barrel Shotgun: Ak 47: Warehouse-secret weapon: Beat Hitman * Collect sledgehammer by giving toilet roll to man in skys bar,JobsThees needs positive karma You get for making workPolition Man Combat ShotgunDoctor StethoscopeNatural Karma McSticks food cardPizza Deliver Free cut from PizzaPro Skateboarder Pro skateboarderXgen Designer he masamune (weapon)NEW LINES INC Cheap WatchMilk Man Cow BellRock star Platinum RecordNegative Karmahacker the internet pimp pimp pimp duck hodHitman secret weapons list of how to get all 4 trophemon :- Give pizza from Joes and Shake from McSticks to club dj at about 05:00- Give Grand slam burger to worker by casino, use leather on lady with lostcat-street2- Give busker on the street 2 change 10-11 times- Get Cuban cigars cigars cigars and lighter of merchant street 2, give to vinnies body guard Once you give all 4 trophemon they give everything to either the hippies in the square outside your basement on street 1 for positive karma, or at the end of the condos at night on the street 2. in exchange for hoverboardRears are many ways to get the 4d objectsGo to Professor ansel at the back of the University, He will start the mission for you4d Hyper cube: Either-Beat the yellow man at chess in US the prince money to bail out of jail at police station (I wouldn't recommend it) -Buy from the man who randomly appeared in casinoKlein bottle: Either- Give the depressed man far right from street 1 self-help book, He gives squegie toguy by dumpsters on the street 3.- Fight the man at the bar in the club- Buy from the man who randomly appeared in casinoMobiuss strip: Either- Give the man outside condos at night 3 coca, (negative karma)- Give police 3 coca (positive karma)- Buy the man who appears randomly in casino.
