## Tim burton neon museum discount tickets

In October of this year, many of Tim Burton's fantastic, gruesome and imaginative creations will be at the Neon Museum in Las Vegas. Tim Burton @ Neon Museum are \$30, which allows for an hour experience in the main nanny. Tickets to Tim Burton Brilliant! costs \$24. The light projection show incorporates Tim Burton's touches to illuminate the unrefunded signs. Children under 2 years of age are free for both experiences. Lost Vegas: Tim Burton @ The Neon Museum will be the first time in nearly a decade that American film director, producer, artist, writer and animator will stage an exhibition of his original art in the United States. The museum's landscape will serve as a creative inspiration and many of the site-specific artworks will interact with the museum's signs and marches, some of which appeared in Burton's film Attacks on Mars! In addition to his 1996 disaster film, Burton directed blockbuster and cult classic hits including Beetlejuice, Nightmare Before Christmas, Big Fish, Alice in Wonderland and Edward Scissorhands. The exhibition will be held in several locations, including the Museum's Main Boneyard Collection, its North Gallery and Las Vegas' Boneyard Park, opposite the Visitor Center. Members of the Neon Museum enjoy free access throughout the exhibition, plus an invitation to an exclusive membership preview day and special viewing hours during the exhibition run. Members will receive a limited edition Lost Vegas: Tim Burton @ Neon Museum at 702-387-6366 ext. 101.
