

Eureka grade 3 module 2 lesson 6

Goal: Create and disassemble kilograms to deduce the size and weight of 1 kilograms, 10 grams, 10 grams, 1 gram, and 1 gram. This file is a digital download of Google Slides for Eureka Mathematics - Grade 3 - Module 2 - Each presentation gives you digital and editing access to the entire class; including application issues, problem sets, exit tickets, homework. Students can drag and drop, build tape diagrams, type in text boxes, and so on, without moving, resizing, and deleting unwanted parts. With Google Slides for independent practice, and even project on smart boards for full and small group face-to-face classes ET his product is great for: a group of full group class concepts to strengthen students to build will* Eureka Math (also known as Partificient). Page 2 Next Generation Europend these user-friendly slides as a supplement to existing units used by teachers to simply save time and teach classes more officiently.
