Thyagaraja aradhana 2020 hyderabad

Thyagaraja was the largest among South Indian music composers and one of the musical prodigies of all time. He was the father of modern Karnataka music and his works are of subtle spirituality, full of melodic beauty and in the highest artistic sense. As a child he was already remarkable for his talent for music and a gift for composing and writing his first song when he was barely 13. Soon he reached the highest peak of musical fame and composed the greatest songs ever written and two musical plays of the unseated beauty. We value the safety of our participants, artists and society. In order to reduce the risks, and based on official recommendations and guidelines, we will be going to the 2020 Cleveland Thyagaraja Festival date to the bed. We are planning to offer the same programming planned at the time, as well as conduct our annual music and dance competitions. While we finalize our scheduled festival dates, please watch this page and our Facebook page for updates. The Cleveland Thyagaraja Festival is sponsored in part by Cuyahoga County residents through a public allowance from Cuyahoga Arts & Culture.
