Bwssb name change application form

Please find below a sample affidavit for BWSSB purpose. What you need to do next: 1. Fill in the blanks, do any minor edits as applicable for you. Also write a simple letter for transfer of the said connection.2. Purchase an e-stamp paper for the minimum amount (Rs. 20 or Rs. 50).3. Get a computer printout of the document on the e-stamp paper.4. Sign the document at DEPONENT.5. Go to any Notary and get it attested.That's it. Pay transfer money(Around Rs.250/- in Jan 2013) at the BWSSB office (with receipt). Take a photocopy of the request letter for the transfer and get it signed/sealed as acknowledgement. Follow up after two weeks. Thats all !!! Thanks, Madhava SAMPLE AFFIDAVIT: AFFIDAVIT I, _____, aged _____ years, residing at _____, do hereby solemnly affirm and state on oath as follows. I submit that I am the absolute owner of the above property, purchased/acquired by me, through a registered Sale Deed dated _____ (photocopy enclosed). That the water supply and sanitary connection bearing RR No. _____ still stands in the name of the previous owner, namely Sri. _____. I request that the concerned BWSSB authorities, i.e. _____ sub-division, BWSSB, Bangalore accept this affidavit and transfer the said water supply and sanitary connection to my name. In this regard, in future, if any claims, litigation, court case arise with respect to this water supply and sanitary connection, I will be held responsible for the same. What is stated above is true and correct. Place: _____ Date: _____ DEPONENT SWORN TO BEFORE ME Reported on October 8, 2010 from Bangalore , Karnataka i Report #33986 Regarding the transfer of the electricity meter to your name, please go through the FAQs on our website where we have explained how you can apply for such transfer. There is no necessity for your to either engage an agent (usually an electrical contractor) or pay a bribe. You will have to provide the following documents along with the application form: Your possession details A consent letter from the previous owner for transferring the installation and also the deposits held in his name to the transferee (new owner). An indemnity bond executed by you protecting the BESCOCM against any dispute that might arise out of such transfer. The BESCOCM transfer fee is Rs. 100. BESCOCM will also give you a fresh power supply agreement, in which they will agree to supply power to you. We are also preparing detailed FAQs along with formats for application. These will be on our website shortly. Regarding the transfer of the BWSSB meter to your name, I am unaware about the need for an affidavit. The website of the BWSSB is a disaster, it also does not provide any information regarding this matter. It is best that you write to the BWSSB PRO regarding the requirement for an affidavit and then use it. Seek this information in writing as that way, you have a record of what has transpired between the BWSSB and you. Please also contact their hotline, which is at 2238888. Maybe you will get some assistance that way. I paid a bribe will soon undertake a thorough check of BWSSB processes and put up the affidavit required on our website soon. comments powered by Changing name on the electricity bill is easy. Pic: Shree D N I am a resident of Belathur in Kadugodi(Whitefield) area. Being a new apartment buyer, I started looking for getting things done, such as Electricity name change, Khata registration and others. I was surprised when the builder offered to get the name change in electricity metres done by paying bribe, without me having to visit any government office—he demanded Rs 2,000! I thought of understanding what the actual process is, and what are the fees involved, and tried to do it on my own. To my surprise, after a few days of doing some online reading, visiting BESCOCM website, calling BESCOCM hotline etc, I realised the process is pretty simple and can be done in less than Rs 600. Below is the guide I put together after following the process. I shared the guide with some residents of my society and they also managed to get the name change done without any bribe. Prerequisites: Get these things done first. 1. Take a printout of this form: 2. Get signature on the NOC for Name change (Form IV in above downloaded form) from present owner of meter. The NOC should be from the person who features as Vendor on your sale deed. 3. Go to the place where EB Meters are placed, find your meter and take a photo of your meter on your phone, make sure that serial no, make of the meter and the reading is visible clearly. If it does not show reading, please press the black button a couple of times until it displays the meter reading. Take a black and white printout of this photo and preserve the photo in your mobile. This is needed to get the page 2 entries (For Office Use only page) filled by the BESCOCM assistant engineer. 4. Two bonds need to be purchased – indemnity bond & power agreement. BESCOCM requires the applicants to provide these bonds along with application. These can be purchased from shops near BESCOCM offices or some electrical shops keep these. The place where I purchased them: Laxmi Narasimha Electricals shop– before Hoodi Circle on the left from ITPL on first floor. You can look for a place nearby your residence. Cost: Rs. 200 (Indemnity) + Rs. 200 (Power Agreement) + Rs 50 Charges. Total: 450 *Note – The indemnity bond was valued at Rs.100. Now it has been revised to Rs.200 5. Certified/Notarised Sale Deed: If SBI/Other Bank Loan: Go to RACPC/ bank branch with two copies of sale deed and get them certified from the bank. They do this without any charge. If LIC-Loan/Others – I heard LIC is refusing to certify and asking for hefty amount. Please get the copies certified from Notary/LIC. 6. Purchase a paper file with clip inside. Punch all the docs along with latest EB bill at the top (must be paid already). Please fill the forms. If you are not sure of something, leave the space empty. When above prerequisites are met, kindly do following: 1. Go to nearest BESCOCM Sub-division Office. For me it was in Kadugodi. Meet AE/JE and get the documents and file verified—here we just need his sign/stamp on page FOR OFFICE USE ONLY. Show him the printout of the photo of the meter, from which he can get the details and fill the entries there and sign and stamp on Page 2 (Office Use Only). 2. Once JE/AE has signed & stamped the page2 . The next step is to submit the file. The file should be submitted again in BESCOCM office. Generally if your BESCOCM subdivision is a small centre they ask you to visit the nearby main BESCOCM centre. I was asked to submit the file in Whitefield BESCOCM centre. Show the file and get it verified. You will be asked to pay Rs 100 as transfer fee, in the cash counter for which you will get an acknowledgement. Please visit the BESCOCM Office before opening time in advance, to avoid the huge rush in the cash counter. Once the transfer fee is paid, file needs to be submitted. Please write your RR No and name on the file. To be on safer side, please take snaps of your application in your mobile. Once the application file is submitted, it will take a month for your name to reflect on BESCOCM website on your bill. If your name does not appear, please visit the office again and enquire. You may call BESCOCM hotline 1912 for status too. So Total Expenses: 1. Transfer fee: Rs 100 2. Indemnity Bond +Power Agreement +Charge =Rs 200 + Rs 200 + Rs 50(extra charges) = Rs. 350 3. Cardboard file: Rs 10 Total: Rs 560 One thing I learnt is not to talk to people standing outside offices, or on stairs, lingering there who might be the brokers, who can read our faces! You should not give up or feel worried at any point. The worst thing that can happen from trying on your own is the work may be slightly delayed, but it's bound to be completed successfully. This was an enriching experience, to get the work done without any bribe, and I feel all should do it on their own. Related Articles How to change name in electricity bill ADVERTISEMENT From Wikiprocedure Create Procedure for Karnataka Residents of Karnataka can transfer the ownership of an existing water connection through the following procedure. Apply In-Person: Visit the concerned sub division Office of your area in person Office Locations Procure the prescribed application form for name change request by paying the required application form fee and fill all the required details of the form. In case of absence of a particular form to avail the service, write a request letter addressing the respective authority. Attach all the required documents. Submit application form along with photocopy of all the required documents to the concerned authority. The authorities will check if all the necessary documents have been submitted and will ask the applicant to pay the processing fee. Pay the required processing fee and register your service. Receive the acknowledgement receipt or get the photocopy of the form counter signed for further reference. Site verifications will be made by the authority officers if required. After this verification, your request will be further processed by the authorities and the necessary changes will be made in the computer records within the next billing cycle. Advertisement Khata Certificate Sale Deed Latest Tax Paid receipt Latest water supply charges paid bill with no dues Affidavit towards the change of name Address proof and Id proof of the applicant from the following: Aadhaar card Driving Licence Ration card Voter ID PAN Card Note: Other required documents have to be submitted if necessary. Carry the original and photocopy of the necessary documents for any cross verifications to be made. Office Locations & Contacts[edit] Advertisement Residents of Karnataka who wish to transfer water connection ownership from the previous owner. Fees[edit] Service Processing fee: Rs.250 Validity[edit] The name change is valid till the change of next ownership due to sale of the property or other reasons. Documents to Use[edit] Please attach documents that can be used by people. e.g. links Advertisement Please attach sample completed documents that would help other people. Processing Time[edit] Time required for sanction- 3 days [edit] Videos explaining the procedure or to fill the applications. Attach videos using the following tag video ID|width|height from external websites. Please remove the '&' inside the tags during implementation. Website = allocine, blip, dailymotion, facebook, gametrailers, googlevideo, html5, metacafe, mspace, revver, sevenload, viddler, vimeo, youku, youtube width = 560, height = 340, Video ID = Can be obtained from the URL of webpage where the video is displayed. e.g In the following url ' Video ID is 'Y0US7oR_t3M'. Advertisement Please fill all the mandatory fields before submitting the application. All the water charge dues or arrears of the previous ownership has to be cleared before applying for the transfer for new ownership. Required Information[edit] Name of the applicant Address of the applicant House No. Consumer No. Details of previous connection Advertisement A water bill is one of the utility bills which could be used as address proof for banks, passports, etc. The water bill will always bear the previous owner's name until it is changed to a new ownership. For this reason, it is always advisable to change the ownership of water connection when purchasing a new property or after legal succession. Information which might help[edit] The new consumer might be asked to change the water meter if it is not in working condition. One has to pay the monthly dues regularly. Reconnection charges might be levied on the consumer if the connection was disconnected due to pending dues. Other uses of the Document/Certificate[edit] Please explain what are other uses of obtaining this document/certificate. e.g. Birth Certificate can be used as proof of identity. External Links[edit] Place some external links which might help. Advertisement Advertisement More information which might help people.
