We will continue our focus on character, but we will also focus on Diversity, Equity and Inclusion. We'll share a full list of books on School Night. In Burton Valley, we believe that goodness is the roof supported by our pillars of character. To be kind, one must be trustworthy, respectful, responsible, fair, caring and a good citizen. Every few weeks, we learn about a different character trait and show how it relates to our school's focus on kindness. This year, we are focusing on each pillar even closer and will use new words to recognize our students. They are: Courage, Hard Work/ Perseverance, Optimism, Integrity, Cooperation and Empathy. Together, these words the word CHOICE..... that together we will continue to guide our students to choose kindly and make the right choice. At Burton Valley Elementary, we are dedicated to preparing our students to become creative, responsible, productive in an constantly changing society. Message from PresidentMay 29, 2015Dear Parents,Playoff fever has overtaken our house. It seems like every night we're rushing to a local football field or settling down on the couch to watch an exciting showdown. I enjoy watching the playoff ball not only for athletics, but for the incredible demonstration of teamwork, courage, achievement and heart. I hope you've seen some of these same attributes, and more, in the work your students produced and exhibited at Open House. Entering the classroom and seeing the room full of all kinds of colorful designs and handwritten work brings a big smile to my face. I love looking at the individual interpretations of the many projects on display. Thank you to the teachers for bringing together an incredible culmination of our children's academic achievements throughout the year. The night is not complete until you pass the magnificent LPIE Art Fair. It's nice that they let the kids pick their favorite piece to hang. The collection of works demonstrates so many good examples of the art and instruction curriculum provided by LPIE throughout the year. A huge thank you to our chairs LPIE art, Kendra Uffelman and Mario DeBiasse, for transforming our Multipurpose room into a mini-museum for the night. I know they didn't do it alone. More thanks to all our representatives of the LPIE class for their help in creating this event. And, one last thanks to our LPIE LPIE Chairs, Tina Seebree and Meredith White, who commanded everything LPIE in our school this year.
