When Sikowitz tells Tori to stay throwing a ball at him, Beck tells Tori to protect his face (showing that he cares about his face getting hurt). When Tori is upset that her
friends wouldn't help her with The Bird Scene, Beck cares enough to explain that no one can help her with the Bird Scene. Beck tells Tori that she is supposed to decorate her locker herself. Beck asks Tori if she's ready to do the Bird Scene on her second attempt. When Tori says they gave Sikowitz two
coconuts, he held them close to his chest and Beck says, Those are good! When Tori angrily throws his books into his locker, Beck asks: are you doing? Here implies the fact that he is worried about Tori many times. When Tori isn't sure how to decorate his locker, Beck suggests he do something creative
creative deep and, in search of help and creative ideas, shows Tori his locker. Tori mentions that Beck's locker is creative and deep, although this can be false-politeness. When Tori asks Beck about the Bird Scene, he pats him on the head and says, Later. Beck a little wink when Tori asks Sikowitz if she
did the scene right after her second attempt (because she felt bad as he knew she had failed). Beck, along with everyone else, is very impressed with Tori's third and final attempt at the Bird Scene. When everyone is applauding Tori, Beck applauds and nods to her too. When Beck tells Tori to come with
him and the others to lunch, she smiles and nods, running towards him in response. Stage Fighting Beck prevented Jade from hurting Tori when Beck was practicing the stage fight with Russ, Tori jumped on his back to protect Beck, unans without knowing they were just fighting on stage. Beck is not very
irritated after Tori attacked Russ, he calmly explains what they were doing. Tori then feels a little bad that she interrupted him. Jade asks why Tori cared so much that Beck got hurt, and she said she thinks she's in enough pain going out with her. This angry Jade, and when he's about to yell at Tori, Beck

When Beck called Tori to ask her a question to finish the fight, he begins the question: If you were my
girlfriend... Tori smiles a little, but then opens his eyes when Jade laughs at the idea. Beck seems surprised that Tori disagrees with him in his fight with Jade. Although Tori is more sympathetic to Jade's side of the discussion, she acknowledges Beck's point that Jade must trust him. Beck tells Tori to stay
during his argument with Jade. While Jade had to physically drag Tori back to the argument, Tori voluntarily returned when Beck was Asks. Tori visited Beck's trailer to try to get him back to Jade, but says he doesn't want to. Beck smiled when she saw that Tori was visiting him, treating him as a great
prize and honor. When Tori asked him if Beck lived in a caravan, he answered hesitantly and passed his hand through his hair as if he's worried about his reaction. Beck is very happy to have Tori more, showing her RV to her and, as seen on the right, tries very hard to act fresh in front of her. Beck
enjoyed Tori's generic voice. (Specifically, he says, Like, do more.) When Beck asked Tori if she thinks he should go back to Jade, she makes a really fake smile and nods. (Clearly showing that she doesn't want them to be together again.) Although Tori hasn't known Beck for a long time, she already
knows it was her birthday recently. You both agree that a can of lemonade is a terrible birthday present. With this and the above, Tori probably got Beck a good birthday present. When Tori and Jade think the dog is attacking Beck, Tori is very worried. Tori was more worried that Beck would be attacked
by the dog than Jade's relationship. Beck stood next to Tori when he and Tori start panicking to see if their father is okay. Tori and Beck were banging on the same window at the end, and when their father came into view, they both backed down and screamed at the same time, causing them to approach.

When they finally fell, Tori and Beck came to kiss. (Specifically, before looking him in the eye, Tori looks at Beck's lips, perhaps implying that she wants to
kiss him, or maybe she wants me to kiss her.) Beck slowly lowers Tori after he lifts her up (possibly showing that he didn't want to let her go). After finally falling it ends, Beck and Tori look each other in the eye and smile. Tori and Beck dance alongside Sinjin's disco dance music, Beck loot-bumps Tori
playfully. Beck points to Trina and Cat after she touches Tori's arm, showing her that they have the mask removal stuff. (This possibly because he thinks she's attractive.) While everyone crowds and talks to Sofia Michelle, Beck is very close to Tori. While

Beck came over to touch Tori's grain. Tori hit Beck's hand screaming: Don't touch him! When Jade said Beck and I are not Splitsville, Beck said, Well... Just as Beck said that, Tori immediately turned and looked at him. (Maybe hoping he was serious.) Every time Tori was watching Robarazzi, if you look at
the right corner, you'll finally see Falling with Tori and Beck looking at each other. (Maybe she was watching before?) When Tori saw the Beck and Jade car segment in Robarazzi while she is at home, she closes her laptop with an annoying look at the scene. When Jade blames Tori for what happened.
Beck rolls her eyes (basically taking Tori's side). Survival of the hottest When Robbie tells them how hot it is, they both moan again when Robbie tells them that the heat wave will continue all week. Beck laughed when Tori said: My arm feels like hot wet ham. Beck kept

Tori and Beck hugged for a long time, and none of them seemed to want to let each other go, but Jade told them and started counting down. (This is the first time we've seen them hug.) Beck doesn't blame Tori after she fired him.
This shows that he cares more that Tori feels guilty than he is being fired from the film. Beck jokes about Tori being Crystal Waters. Tori put her hand on Beck's chest after they're told to stop hugging. Beck smiled as he hugged Tori. Tori is very happy for Beck when he says he got the part and also when
he got it back after being fired. When Jade tells Tori and Beck to stop hugging when he reaches three and approaches Beck, Tori gives him an angry and jealous look. Beck also seems upset because the hug was interrupted. During Melinda's scene, Beck is around the table where Jade, Cat and Tori sat
down, and as she walked towards Melinda, she touches Tori's arm. Beck and Tori were the only ones who were fired in the film. When the end, Beck had his hand around Tori's waist and was slightly touching her bare skin, which you could see when Beck and Tori turned to see
who was interrupting their embrace. The big ping pong scam Beck didn't ask for his dollar again when he inserted it into the fake vending machine. Beck seems confused when Jade says Tori didn't make the team. Tori plays

When Beck learns that Daniel was Tori's ex-boyfriend, he immediately asked him what he was doing at Hollywood Arts, instantly taking a defensive stance for his friend's sake. Tori
sits with Beck at lunch (along with Cat, Danny and Jade). When Tori mentioned that everyone at the table could be mature except Jade, Beck and Tori ask Daniel: What are you doing here? Tori looks at Beck when he apologized. Beck asked Tori
what Cat's brownie looked like. Beck saw Tori get up and leave. Beck saw Tori leave the Blackbox Theater. Beck approaches Tori was explaining why she drizzed Cat and Daniel cheese. When Tori says she doesn't normally get
jealous, Beck has a longing, melancholy look on her face as if she said that would be a beautiful change of pace. After Beck apologizes, Tori sees him leave. Beck calls Tori's name five times. Unlike Jade, Beck is not angry because Tori is ignoring him, understanding that she values making peace with

Official song: Finally Falling by Victoria Justice and Avan Jogia, because the two sang this song together in the sixth episode Tori The Zombie. The two looked each
other in the eye and smiled several times throughout the performance. They seemed to have a real connection when they sang this song together. The song also describes their current relationship on the show. They seem to fall in love more and more every day, and they're finally realizing that. Official
game: Alphabetical Improv, because Tori and Beck had their first kiss during this game in the Episode Pilot. Official number: 10, because they kissed in the first episode for exactly 10 seconds. Bori KISS Official Color: Blue, because blue represents Beck's relaxation, continues with Tori's flow personality
and kind and challenged personality. Official Meal: Burgers, due to the following video. Tori the Hamburger Official Drink: Pink Lemonade, due to the nice conversation they had about why lemonade is pink in The Wood. Official Mascot: Zombies, because Tori wore a zombie mask in Tori The Zombie
when she and Beck sang together for the first time during the play. Official Romantic Point: Sikowitz' Classroom, because that's where they shared their first kiss, and where they've played a couple in many acting scenes. Official website: Bori Wiki Beck+Tori Bori Fanfiction Note: If you

Beck: Tori Vega? Tori: That's me! Beck: Are you sure you're not Crystal Waters? Tori: Do you have the call?! Beck: I'm back in the movie! Tori: Yay! (They hug until Jade approaches and counts down) (Beck's Big Break) - Beck: Hey, why is it pink? Tori: It's pink lemonade. Beck: I've never seen pink
lemons. Tori: No pink lemons. Beck:... So what makes it pink? Tori: Well... you know, it's... shut up! (The Wood) - Tori: Beck... Beck (While you're looking for him) Beck: Yes? (With female voice.) Tori: Beck?! Beck: I'm not Beck, it's you! (As you walk to Tori) Tori: Wait, wait... how did you do it...
where, where did you come from that dress? Beck: The cat did it! (While swinging the bottom of the dress from side to side and smiling) Are you sweating? (Touch Tori's forehead with his hand to see if he's sweating) Tori: Yes. I think I'm having an anxiety attack. I don't want to do the trick. I'm scared!
Beck: It's okay. I got this. (While taking your sunglasses) Tori: What are you, what are you, what are you, what are you? (While Beck puts on her sunglasses and fixes 'her' hair) Beck: Shhh... Wait here. (Run to do the trick) Tori: Do I look so good running away? (Tori intends to flee) (Beck Falls for Tori) to Tori (as an anonymous
character): There's something you want to tell me. I can feel it. Beck (as an anonymous character): What's hope? Beck: (as an 
anonymous character): When all hope is gone, what can we expect? (Tori reaches out to touch Beck's chin) (Beck bows) (Tori touches Beck's chin) Tori (as an anonymous character): More hope. (Sikowitz shouts, And the comet strikes!) (They cling to each other.) Beck and Tori (as nameless characters):
AHHHH! (iParty with Victorious) - Penny (Tori): I don't know! Bellhop (Beck): It's okay that you don't know. Penny (Tori): But you deserve an answer! Bellhop (Beck): I know I'm poor, I know I don't have
much to offer, but I love you. (Penny (Tori) turns around and starts to walk away.) Penny (Tori): Because I'm beautiful? Bellhop (Beck): I don't love you because you're beautiful, (As you walk behind it) (Bellhop (Beck) stretches out and grabs her shoulder and turns it around) Bellhop (Beck): You're
beautiful because I love you. Penny (Tori): Whoa. (Tori the Zombie) - Beck: What are you doing? Tori: Don't you know with anger throwing in my locker? (Tori hits his locker) Beck: Have you figured out how to decorate it yet? Tori: Yes, look, I put a streak on it, don't you see the line? Beck: I see the
line. Tori: I don't know what to do. Beck: Why don't you do something.... You know.... creative and deep? Tori: What did you do to yours? Beck: Come on! (Beck nodded in the direction of his locker and took Tori to his locker and shows it to him) Tori: Clear? Beck: Transparent... I have no secrets... and
neither does my locker. Tori: But... Oh, that's creative and deep! Beck: Yes. Tori: So... Anyway, about the bird scene... Beck: (Smile, then pat him on the head) Later! (Beck's leaving) (The Bird Scene) - Beck: Hey, you want to come to lunch with us? Tori: Sure, let me... (Sikowitz throws a ball at him) Tori:
AHH! (Later) Beck: Protect your face. (Beck comes out.) (The Bird Scene) - Beck: Are you coming with? Tori: Sure! (While nodding and smiling) (Everyone goes away, but Beck waits for Tori and then the two leave together) Tori: Okay, if you had to give up the Internet or one of your feet? Beck: Say a
foot. Tori: Seriously, would you give up a foot to keep the internet? Beck: Absolutely. Tori: I know, but my foot is part of my body and the internet is, yes, my foot. (A Dale Squires film) to Tori: Okay, ugh... Let's start the first shot. Beck! Beck: Yes? Tori: Let me have you on the couch... (Jade says, Girl! in a
warning tone.) Tori:... for the shot! (A Dale Squires film) Beck: Hey, it's Beck. Tori: Hey, baby! Beck: Sup? Tori: My parents aren't home. Beck: Ooh, that sounds pretty good! Tori: I know, I feel like I haven't seen you forever. Beck: So guess what I want? Tori: aw, do you want me to tickle your belly? Beck:
Yes, of course! Tori: You should come! Beck: Yes, my girlfriend's not going to like that. Tori: I won't tell him! Beck: Okay, I'll be there soon. Tori: All right. I love you, I miss you! Beck: You make me happy! (Tori kisses on the phone) Beck: Goodbye! Tori: Later! (The Wood) Note: This conversation is staged
and didn't really happen between Tori and Beck. Tori (Pedesco Officer): I need to see your license and registration! Beck (Malcolm): Oh! I'm sorry about that agent. (Grabbing his face.) I don't have a car, so I don't have such documents in my pants pockets. (Jade (Betty-Sue) turns to look at Tori & Company and Compan
Beck (Officer Pedesco and Malcolm) with a jealous/angry face) Tori: (Officer Pedesco): Why don't you stop invading my personal space?! How about some of this Raisin Bran? Beck: (Malcolm): I'm a game, so why don't you put a problem in my mouth? (Tori starts putting some Raisin Bran in Beck's
mouth) (Sleepover at Sikowitz's) - Beck (Malcolm): Have you ever seen a wilder carnivorous beast rubbing on Dan Schneider? (While playing Tori (Pedesco Officer) repeatedly) (Officer Pedesco): I'm a police officer! Beck (Malcolm): I'll retire then. (Stop pricking) pricking it) at Sikowitz's) Beck (Malcolm):
Hey, what time is it? Tori (Pedesco Officer): Ah, ah, you broke your character, you lost, I'm a police officer and I'm victorious! (As you get up, pointing at Beck's face (Malcolm)) (Beck (Malcolm) smiles) Tori (Officer Pedesco): Enjoy some Raisin Bran, you Brit! (While you pick up the Raisin Bran and throw
it at Beck (Malcolm) who is smiling and doesn't stop it) Tori (Pedesco Officer): This is Officer Pedesco, code 3, (insert siren noise here) HA! Tori: What's going on? Beck: My aunt says we can't go to Cancun. Tori: Aw... why? Beck: He found out he was bringing Jade. (Sikowitz says HA!) (Locked!) Beck:
So, I heard some of you are going to Yerba. Tori: Yes, we are. Would you like to come to Yerba with us Beck? Beck: Oh, that would be great, thank you! (Locked!) Beck: Tori!... I Tori! (Later.) Beck: Tori!... I Tori! (After Jade throws the broom at the store) Tori: Oh! (After Jade says Come play!) Tori:
Leave me alone! Beck: What about the hot cheese attack on Cat? (Tori gets up from the store as Beck walks towards her) Tori: I don't know. I mean, I'm not the jealous type. I've never done anything like this before, but watching my ex-boyfriend get hold of Cat, I guess just... I lost it for a second and the
next thing I knew, my hand was on the cheese valve. I have to go apologize to them. (Tori leaves and Beck and Jade come to Tori out and leave the sausage) Tori: Well, I'm going home now, forever. Beck: No, you're not leaving this school. (While pulling it back) (Later) Beck: I mean, we're all going to
talk to Helen about this right now. (Later) Beck: Let's go find Helen. (Beck, Tori, Cat, André and Robbie go looking for Helen) (Helen Back Again) Beck: Who would Catherine be? Tori: Catherine could be a captain! (Survival of the Hottest) - Tori: What do we do? Beck: I don't know. (Survival of the Hottest)
- Tori: Life is pain. Beck: Life is pain. (Tori Torture Master) Beck: Who's a rock star?! Tori: Me! (They're all five through each other) Beck: I'll take you to school tomorrow. Tori: (Excited) Really? Beck: Sure! (Driving to Tori Crazy) - Beck: Hey, hey, hey, hey, hey, hey! You
did it! Tori: I did it! (Jump into Beck's arms and hug) I'm going to sing at the Platinum Music Awards! Beck: I know!... you want your sandwich back? Beck: Why don't you stop? Tori: Because if I don't keep acting like a 'bad rock girl' they could leave me from the show! Beck: The show's in two days, they
can't fire you. Tori: I don't know, I'm afraid. Beck: Listen, tell Mason Thornesmith you're not going to play his little game anymore. Tori: But... Beck: The world needs that you really are..... because you're amazing. (Audiences say aw and Tori and Beck look lovingly at the eyes and play romantic music and
bend over to kiss) (Tori Va Platinum) Beck: Shhh... (Caressing Tori's hair to soothe her) (Crazy Ponnie) to Tori: Hey, (Beck's motions to join her) come here! (Take out your phone and both go to bed with the laser beam) Beck: (Approaching Tori) What are we doing? Tori: Measurement to see how high
this beam is, from the ground. Jade: (From a distance) Eight inches. Beck: Would you let me measure it, please? (Both Tori and Beck get up from the ground, and Tori checks their phone) Beck: Well? Tori: Eight inches. So, tomorrow night, I guess it's just you and me. Tori: If it's just the two of us, what I
guess is like... Beck: (calling Tori to continue) Tori: A date! Beck: We'll make the opposite of a date. Tori: An OPPOSITE date! Beck: It's not a date, we're just together! Tori: I'm NOT looking forward to it! (laughs as he looks at Beck and walks away) (Opposite date) Beck: Yes, actually, when I take you
home later, I'm going to punch you in the arm! As.. (hits her slightly on the arm) Tori: Oww, too hard (rub your arm and laugh) Beck: All right! Tori: With... lots of hair! (gets in the hair) Beck: No, I'm not! (both
laughing and playing each other) (Opposite date) - Guy with a fish tank: Uh, I think we're ignoring the obvious question.... (Tori and Beck look confused) Do you two have feelings for each other? (everyone leans over to hear their answers) (Tori and Beck look at each other) Tori: Hey, is our dog ointment
readyyyyy?! (scream behind as they both smile nervously trying to change the subject) (Opposite date) - Tori: (Walk through Beck's entrance looking for apologies and waves) Beck: Uh oh, here comes the problem. Tori: Stop... I came to tell you I'm sorry. Beck: Which one of us? Tori: To both... (Points in
Beck) You first, um... I know how important Tinkle-Aid is to you and André and Robbie -- Beck: What about all the hollywood arts guys? Tori: I know, and so... I feel horrible and ashamed to disappoint them. Beck: Okay (Smile) (Three girls and a moose) Beck: Hey. Tori: Hey! So, you and Meredith, are
you going to sing? Beck: There will be no poodles. Tori: What?! After everything I've done?! I almost got attacked with toilet paper! Beck: Look, Meredith is... nice, too nice. I think I've learned something about myself. Tori: That you're ungrateful to your friend who tried to fix you up with a pretty girl? Beck:
No, I think I like dating a girl you know, she defends herself. Tori: Beck: I mean a girl who has strong opinions, you know, and a big mouth. Tori: Why? Because it's not easy. Easy is boring. (seems annoying) Not bad. I get it. So who's NOT boring? (Tori fixes Beck and Jade) - Jade: Hey, great
song... André. (spoken in Tori's voice) Tori: Thank you... Beck! (sarcastically directed towards Jade) Beck: Uhh-- Tori: Mmm! *gasps* A weiner?! (take the hot dog sausage out of the cup) Beck:... come with the punch! Tori: (look around, look at
sausages, shrug, put it back in the cup, and keep drinking) (Thousand berry balls) Beck: We'd better get out of here before we get the flour bomber only attacks once a day. (Both turn around to get away when the flour bomber arrives and throws flour on
both sides) Tori: Sometimes twice! (Robbie Sells Rex) Beck: O hey. Tori: Oh my God! No, no, no! Beck: Wow, I've never heard that about a girl. Tori: I haven't decided who's going to be on my Brain Squeezers team yet, so if you want to be back then, you're going to have to -- Beck: Wow, wow, wow,
wow, wow. I was standing here, and I said hey. Tori: I'm sorry. It's just everybody, and I mean everyone's been bothering me today. (They both stop talking and turn around to see Robbie cleaning Tori's locker) Robbie: Oh hey! Tori: Why are you cleaning my locker..? Robbie: Because we're friends and I
want things to be okay. Yes, just uh, it's going to make it shine! Okay, go to class, but first, for you! Tori: Why do you give me $20? Robbie: Because I think you're great! And, because we're super friends! Tori: I'm not promising to choose you to be on my Brain Squeezers team. (Robbie pulls the $20 out of
his hand and throws dirt into his locker, then Cat comes around) -- Beck; Wow, I guess people are pretty desperate to be on a game show, Tori; I guess -- (look at Beck suspiciously) I see through his little plan! Beck; What's my plan? Tori; Oh you know, to play everything cool and act like you don't mind
being on my Brain Squeezers team! Get in my head and make me want to ask you to be in it! Beck: You know what, that's really insulting... can I be on your team? Tori: I knew it! (Both begin to walk away arguing) (Squeeze your brain) - Jade: (About Beck) Because I'm prettier than him! Tori: Are you?
(The Slap Fight) Bori in real life Even though Tori and Beck have tons of chemistry in the program, their real-life chemistry is even bigger and better. Victoria and Avan are actually best friends in real life. They tend to hang out most of the time. They have many adventures, two of which are a trip to London
and New York. If you see a photo or video with these two, there's a 95% chance they're next to it Other. If they're not hanging out, they're often talking on Twitter.
