Ground War: Tanks that introduce a faster online tank fighting genre with more firing matches, which includes re-washed mechanics, as well as a game that is played entirely through Unity, allowing you to log into your account and play from almost any PC or tablet you encounter in your trip. Features: Complete Unity: Pick and play Ground War: Tanks on the go whenever you want! No download required. Three factions: build your arsenal of axes, alliances and Soviet combat machines based on real world tank models. More ways: keep gameplay fresh with Commander mode, Basic Capture, Point Mode and multi-wave co-op vs. AI Defense mode. RPG Elements: Get credits for unlocking new tanks, or upgrade existing crew and components to build final tanks in each tier! Ground War: Tanks Beta Preview Remko Molenaar (Proxzor) After the success of World of Tanks it really is no surprise to see more game publishers trying to steer i...
