Wahl deep tissue massager

© 1996-2014, Amazon.com, Inc. or its affiliates CVS.com® not available to customers or patients located outside the U.S. or U.S. territories. We apologize for any downsides. For U.S. military personnel permanently assigned or on temporary abroad, please call our Customer Service team at 1-800-SHOP CVS (1-800-746-7287) if you need assistance with your order. I have only used this massage only. I used to buy these and never had a problem. The last Purchase control type is not existing. I guess when those cutting edge are the first ones you kicked in the curb. My last purchases were, so unfortunately put together, they would work occasionally, due to loose wires, to complain about the problem, to send me a new one. The new one worked fine then it stopped after one week, complained about the problem, sent another, this one worked great then it started to vibrate as many places you did it as it did at the end of the vibrat. Giving up on trying to go into the game in hopes of finding a good one. I took it apart, found the tire that reinforced the hum of the handle, not to be thick enough to totally do the work, I wrapped the rubber band around that lodging, and it worked great. Now every 2 or 3 months I have to take it apart and replace the broken chain tires. So if you want a huge massage and can be handy and repairing these things is your lucky day. The only other serious issue is the tire attachment head and the four prongs, will be broken and the tire gets separated from the hard plastic substructure. This I hope to happen over time. But you are able to buy just the selected attachment you want. You must buy all four or 5, to get the one you want. And now I've except that as a way of hoping to rip people off, it's all about getting your money. by giving us what you want. But alas even trying to find a place to buy the attachments is a daunting task, when I found out the attachments, they were available to be purchased. This was the case every time I found a place that was purpote of selling them. Read full review ©2020 Walmart Stores, Inc. ©2020 Walmart Stores, Inc.
