\*\*\* Kim Carson/Photodisc/Getty Images The dual nature of reverse songs plays tricks on their audiences. These poems mean one thing when read top to bottom, but the meaning or feeling changes when you read every sentence from bottom to top. Reverse poems can be difficult to perform, but their effect on the reader can be powerful. Reading Reverse PoemsBefore trying to write your own reverse poem, check out some examples to get an idea of how other writers performed the style. First read the poem from top to bottom. You may notice a specific theme or mood in the song. Then read the poem, line by line, from the bottom to the top line. You should notice a shift or total opposition to mood when reading a poem forward. For example, Jonathan Reed's famous reverse poem The Lost Generation shows depressing views of society when read in advance; however, when read in reverse, it sends a positive message. Look at the end of the song. The last few lines are: My generation is listless and lethargic / It is foolish to assume that / There is hope. When read backwards, she says: There is hope / It is foolish to assume that / My generation is listless and lethargic. Reed's poem shows a stark contrast between pessimistic and optimistic thinking. To create your own reverse song, consider a concept that has opposing views or emotions. Reed's poem tells the story of his generation and peers. Maybe you'll decide to write about your classmates at school. You can also write about something as big as world politics, or even simply as a family pet. Write down your item in the

middle of a piece of paper and circle it. Using EnjambmentPrint from a copy of the reverse song and highlight phrases that you think make the song work read from top to bottom and vice versa. You may notice that every other line tends to be a generic statement, such as I'm telling you this. Also take a closer look at the end of the lines. Many of them end with words like that or and, which forces you to look at the next line to get a full picture of the statement. This tool is called enjambment, which means that the sentence continues to the next line. Enjambment is useful in reverse poems because when a poem is read forward or backward, one line feeds into the next line. On the paper where you wrote your idea on the topic, write down complete phrases on the subject and circle each one. Find words like that or and set a label/after those words to indicate where you can create enjambed lines. Think of phrases that can show either a negative or positive view of your topic. Since the reverse song can be a tricky form to write, use a few tricks to organize your phrases. Write each phrase on a notepad or a small white board. Write phrases that you with a line mark on a separate separate Now, arrange the cards so that it means one thing when you flip through the cards from top to bottom; The song should have the opposite meaning if you are reading cards in reverse order. For example, three cards could be written: People are cruel, it is impossible that the world will change too. In that order, the song sounds pessimistic. In reverse, however, the three lines read: The world will change / It is impossible that / People are cruel. Write a poem on a piece of paper to make sure it makes sense. Revise it if necessary. Reed, for example, had some lines in his poem that were just one word - family and work. If it makes sense to move a word or two to your own line, create an additional line. Read the poem again to see if it's clear both back and forth. After trying to write a reverse song, you can also try the song palindrma, also called a mirror song. It's similar in style to an inverted song, but use the same words in the first half of the song as in the final half, but reversals the word order. No way hozay! These insightful passages can be read from top to bottom or from bottom to top - each with two completely different meanings. Look at them... Get ready to blow your mind! Poetry can often have a strong message, but this is doubly true for reverse poems. In case you didn't know, the reverse poem is a passage that can be read from top to bottom or from bottom to top. Yes, really. The poem will often express opposing opinions depending on how you read it so it can really make you think. Check out the five reverse songs we found that will take your breath away. Crazyyyy pic.twitter.com/RzvhJU1LUN — Derek Nichols (@DerekNichols0) February 26, 2014 Loneliness I recently came across a song online that took my breath away. I was astonished by the message in the song as well as the unusual way it was delivered. The poem I found could be read in two completely different ways – from the first row to the back row, or in reverse, from the back row back to the first row. Both reading modes were completely understandable, but in vastly different ways. Reverse poems are taught in classrooms where children write simple, invertable lines. Here's an example from elementary school. Read it, then read it in reverse from the last line to the first. Late you always hate to get up early But the songs I discovered were more complicated and saturated with emotion. The British poet and self-styled poet Twitter laureate posted the poem Refugees on his website. A year later, when a reader on the internet asked Bilston: Your poem Refugees was read (both At my friend Seder's tonight. I'd like to share it with others. Please let me know if I can. It's very powerful. Bilston agreed and sent his best wishes. Brian Bilston's refugees are online at: brianbilston.com/2016/03/23/refugees. The next reverse poem shared by a friend stunned anyone who heard her read aloud for the first time. The emotion and intensity expressed by the poet who recently completed chemotherapy and radiation was visceral. Each of us felt shaken after hearing a song from the front row down the page. But after reading it a second time from the bottom to the top, everyone cheered. Written in less than 12 minutes, this song seemed like a major turning point in her recovery. I'm a cancer victim and I refuse to believe I'm healthy and strong I realize this can be a shock, but my cells vibrate with health and energy is a lie All good things have to end in 30 years, I will tell my children that I have my priorities straight because the disease is more important than health I tell you this: Once upon a time people survived and thrived after cancer But this will not be true in my age Cancer kills Experts tell me that the treatment brutally I do not conclude that I am already cured In the future, I am Aud I can no longer say that I am bravely alive It will be obvious that Cancer really stupid is to assume that outside the fight deep meaning. Now check how your body feels after reading this song. Then take a deep breath and start reading it from the last line and continue reading one line at a time to the first line. If you want to write your own reverse song, here's a template that's online to help you. Fill in the gaps towards the directional so that it makes sense to read both from the top down and from the bottom up. After you finish the first draft, you may need to edit the initial phrases to keep your final draft running smoothly.
