What is supporting details

When you make a reservation with one of our providers, we will only use your personal information if you have chosen to subscribe to our newsletter and receive information from Lonely Planet. Rest assured, we'll only send you what you've requested in accordance with our privacy policy. For information about how your personal information will be used by the provider you booked, we recommend reading their privacy policy. The only personal information we collect when you use our Feedback Form is your name (as you provide) and your email address. This helps us keep track of your mail with us and let us know if you're a first-time email sender or regular contributor. We don't send writers your email address or name, although we send them for feedback or suggestions. If you leave a box that allows Lonely Planet to publish my name to confirm my feedback, we will make sure your name (if entered with your first and last name) is published as a thank you, in the 'Our Readers' section of the new edition of the manual. Here are some ways to support the U.S. military and their families. The U.S. Department of Defense is asking you not to send a message or package that wasn't sent to a specific service member. However, here are some great ways to convey your support to the military. Send an e-mail message to the deployed army of any service from your state. USO Care Package Contributes to the purchase of a package that takes care of military-required items such as sunscreen, disposable cameras, prepaid calling cards and toilets. www.usocares.org/home.htm contribution to the purchase of calling cards will be distributed to military personnel and hospitalized veterans. Mail from family members and loved ones is always encouraged and the army mail system will continue to work hard to get that letter to service members abroad. TO SUPPORT MILITARY FAMILY MEMBERS: Provide your time and resources as an individual, organization, or business to provide deployed military families with activities such as household repairs, spring cleaning and yard work or professional skills such as financial planning or legal advice. Volunteer by contacting a local chapter of any of the following organizations (most have a directory of local chapters on their website): Get more information on how to help service members and their families on the USAFreedom Corp. Website, a government-funded volunteer organization. Support details are additional details that support the topic sentence in a paragraph. They allow readers to learn more about the main idea. These details can be reasons, descriptions, examples, explanations or comparisons. Each paragraph should contain some supporting details to expand on the main idea. These details clarify, illustrate, or protect the subject sentence. They help readers understand how true the idea is. The type of support details used depends on the style of the essay. Writers make sure they choose the right details to include. They want strong, detailed descriptions of support to show readers instead of telling them. They.
