Monday: Tuesday: Wednesday: Thursday: Thursday: Friday: Sunday: crazy all the pictures we took I could only find 2 I guess we took them with someone else's phone. This is an example of how to act on the tales. That was 12 years ago in March 2008 when you burst into a show and at 1 pm you changed the landscape of weekly night life in Brooklyn. 95 South exploded it was too big to handle we had lines outside down the block. We had female city employees dancing to the bar. Sometimes the boys up there , too . Ga ga song was called 95 South Anthem you were the only DJ playing that joint. You always worked with me as a family, even though we shared the same last name. The room was quite small and the bathroom was quite small. It's so ironic that 12 years later wed that you'll get your wings. I mean, if we were open, you could call me and say To Jamie O I'm not going to do it tonight, but I'm sending Beattle, Mr.c and even Biz Markie to cover me for my man my brother. Once and I always remember BROOKLYN ROCKS WITH DJ LANCE 95 South Soul Food Restaurant is now open to perform out. Please contact the company directly to check the hours and My girlfriend and I were looking for a restaurant to dine after working in a local café down the street... After reviewing some menus, we decided on this restaurant. Initially, surprised because it was mostly men watching the Giants vs Cowboys game.... The room was quite small and the bathroom was quite small. He showed us our place with a smile. I ordered a cheeseburger deluxe with bacon and my girlfriend ordered salmon, baked pasta and collard greens. First, it's a place to go if you're into a sport... Televisions were everywhere Two different football games played... audio competes with audio... It's a nice place to have your first date if you're both in the gym... and you don't want to hear what your date has to say lol... very loud but fun ... Do you like this property but are still valid, because she is definitely worth waiting. Collard greens were sweet, which I'm not using too, but good nonetheless... The location is great, the staff were very friendly and helpful. Reasonable prices... \$12 for a cheeseburger, \$14 for a salmon dinner, \$8 for drinks... Beach Sex and Blue Lagoon... I definitely want to visit again... More Closed0.94 mi Hours Claim This Business Is This Your Business? Request to update your business information and menu now immediately! Menu!
