Your main task is to rebuild and modernize as many of its towers as possible. It is also necessary to crack all the different colored balls that arise in the way. Also, you will be able to buy your new heroes for the gold earned, for this you would destroy all the balls. You will have a weapon, in the form of needles, balls with needles, as well as many other different weapons. Compete with the most inveterate opponents and prove to everyone that you are the best player. Updated to version 6.9.1! Welcome to the world of evil bloons creatures, here you play as a group of monkeys who try to defend their home from invading balloon monsters (or Bloons as they are often referred to). Immerse yourself in the most interesting tower-defense games with intuitive controls and addictive controls. Find out all about the game in our review. More from Ninja KiwiStoryGame contains a relatively new gameplay that consists of head-to-head battles between Bloons players. In addition to playing against invasive Bloons, you can join others in a one-on-one battle to see who is the better player. Build your monkey team to compete with others in the world of Bloons TD battles, compete with each other in battles and tournaments to see who has the best skills. Bloons TD Battles is designed for both online and local multiplayer. Like previous versions, there will be plenty of different tracks for you to enjoy. In addition, you will have access to powerful enhancements that will increase your team's strength for future battles against other players. Here are some amazing features you'd be interested in. With relatively new gameplay where players can face each other instead of following traditional game modes where you can only fight programmed bloons. With Bloons TD Battles, players can enjoy exciting and intense matches with real people, which makes games much more exciting. You can test your skills with players from all over the world in different game modes. Give it your all to see who's the bloons' better destroyer. All you need is a stable internet connection and Android device to go up against the best Bloons players from around the worldHera contains up to 27 customizable tracks for battles. Each of them has its own elements of advantages and difficulties, make sure that you choose towers wisely to gain the upper hand. In addition, you also need to manage your fund effectively during the match to ensure your final victory. Like other Bloons games, you will also have access to different towers, each with its own unique abilities and specialties. During an online match, it is important to have a decent collection of This would give you a great advantage over your enemies, allowing for a decisive final victory. Therefore, make sure that you can face your bloons opponent with the right towers. In addition, game towers are also expandable with 8 different performance improvements. It would be good to power the tower before going into online battle. In bloons TD battles there are 4 different game modes that players can enjoy. The most popular mode is probably Attack mode, where you will command your powerful Bloons armies to attack the base of others. But if you are a permanent Bloons player, defensive mode would be more appropriate for you because all you have to do is manage a strong defense that could fend off any Bloons attack from other players. And if you have something riskier, you can try Battle Arena mode, where players go head-to-head in an all-out bet. Put all your hard-earned medallions on the table with your opponent to see who the ultimate winner is. In addition, in this game you will also have access to the new card battle mode, where you will play Tower and Bloons cards to win against other players. In addition to the old tower reinforcements that appear in the previous version of the game, in Bloons TD Battles developers have added many new strengthening monkey towers. These bonuses can have a significant impact on the pitch and can therefore be decisive factors that give you victory. In addition to common tower upgrades, players also have access to Bloons enhancements that allow them to power their Bloons minimums. Therefore, they may have a better chance of occupying their enemy's bases in Assault mode.And if you are tired of playing with players whose faces you don't know, you can set up private matches to test your skills with your friends. By connecting to your Facebook account, you can always ask your friends to join you in an exciting battle of bloons. Completing missions and fighting online opponents are not the only ways to earn valuable loot, you can also complete challenges to earn amazing achievements that can significantly increase your team's strength. And to show your strength, you can add your own signature symbol to each of your Bloons. When the game is complete, your Bloons will appear their winning marks as a sign of superiority against their opponents. One of the best things about the game is that it is completely free to play. You can easily find the game in the Google Play Store and install it at no charge. Although the game includes some in-app purchases, you can still make up for it by spending more time on tasks and challenges each day. But if you're looking for more affordable gameplay, you can try downloading our Bloons TD Battles APK file on our website and installing it on your Android devices. It is completely free as well as provide you with amount of money to spend. Therefore, you can quickly collect powerful upgrades for your battles between heads. The game contains a friendly artistic style of the game Bloons, which is suitable for families. Therefore, you can enjoy endless bloons battles with your children on family nights. In addition, the graphics are also light, so the game is very accessible even for old Android devices. You rarely notice delays and the transitions between different scenes are very smooth. Bloons TD Battles features amazing audio tracks that perfectly match your in-game actions. You can really feel the pace of your game just by listening to music. On the other hand, sound effects are also top-notch with realistic explosions and monkey screams. With incredible gameplay and exciting online multiplayer, you will surely have a good time playing the game. All Android devices that use Android 4.0.3 and up can download and install this game. You can start by going to the Apkdone.com and look at the keyword Bloons TD Battles Mod APK in the game category. Bloons TD Battles is one of the most famous tower defense games for Android mobile. You can install the original APK and MOD APK versions (Unlimited Medallions) of this game via the link below this article. Content [ShowHide]Join Bloons TD Battles, you will experience many exciting battles with adorable monkeys and colorful balloons. Who wins the battle to fight their opponents in the same match? Let's find the answer in the article below. GameplayBloons TD Battles is a classic tower defense game. Here both players will confront each other and try to destroy the enemy tower. To start the game, you need to choose the game mode, map and defensive tower. Depending on the mode chosen, there are different goals that need to be met. However, your main goal is to still destroy all balloons before they enter your fortress. Each battle limits the number of balloons that can enter your fortress. If the

number of positions exceeds the limit, you will lose. Bloons TD Battles has up to 18 unique battles with 20 monkey towers. Each tower can be upgraded up to 8 times. Power, defense, and energy will increase with each upgrade. Players can quickly recharge the energy of monkey towers using Monkey Tower Boost. When using this feature, the monkey tower will attack faster for a certain period of time. If the player is experiencing Attack mode, the player can use Bloons Boost to help increase the balloon's strength when fighting an opponent. ControlControlling in Bloons TD Battles is quite simple. Just move over all the monkeys in order to move and communicate. Roll over Super Monkey to help you use a laser weapon. For monkeys to attack, flip over to Sniper Monkey for them to aim and shoot. In addition to dramatic battles, Bloons TD Battles also offers more than 16 Special achievements for you to collect. These achievements are generated from confronting an AI battle or an online PVP match. Share them on Facebook and compete with your friends. If you don't know bloons td 6 is also a very successful tower defense game kiwi ninja. ModesBloons TD Battles has three main game modes including Assault Mode, Battle Arena and Defensive.In Assault, players trying to crush their opponent using balloons directly. Initially, the balloons will fly quite slowly. But from lap 30 and beyond, all balloons will increase by 20% speed per round. Although the mechanism of this mode is offensive, players should not neglect the defense. Try to protect the tower from attacks by opponents. Starting with the defensive mode, players will be offered \$75. The task of the player is to find ways to increase defenses and survive as long as possible. By buying an increase in the revenue pack, defense is also increased. Cooldown is also based on increased revenue. Players can increase their income to a maximum of \$3,000.In Battle Arena mode, players will be able to participate in an arena that competes with many other players around the world. When there are many medals, the position of the player increases. When players become the best, they get special benefits. Upgrade your weapons as you progress to a higher level, movement speed, number, ball strength increases. If you use too weak weapons, you will not be able to prevent a wave of balloons rushing to attack the tower. Therefore, buy new weapons and upgrade them to increase defenses. Each victory will bring a bonus, you can use it to continue upgrading weapons. A few tips that you will needSuming each battle, you can preview information about the characteristics of balloons that appear. This will help you choose defensive towers that have an advantage against these types of balloons. The balloons will move more slowly and will be grouped in broken roads. You should arrange multiple towers in these places to destroy quickly. MOD APK version of Bloons TD BattlesMOD featureUnlimited Medallions: Medals are the main currency of the game, it will help you pay for purchases and upgrade activities. With the mod APK version provided by APKMODY, you have a lot of medals right at the beginning of the game. Download Bloons TD Battles MOD APK for AndroidBloons TD Battles is an interesting goalie game suitable for relieving stress after a long stressful day. The graphics and sound effects in the game are quite funny, helping to increase the fun for every game you play. The battle to protect the tower from balloons never ended. Install the game and join the battle now! Nwo!
